

March 31, 2021 Meeting Notes

- **Logistics: 10:00AM – 12:00PM, Audio/Video Conference via Zoom**
- **Welcome**
- **Business: Chair/Vice Chair Report**
 - January 2021 Meeting Notes (*available at <https://ghlepc.org/information>*) – *Approved*
 - Winter Storm Uri
 - TCEQ updates - (See below)
 - Tier II Reporting – nearly 500 Tier II submissions received to date; 1000s submitted to TCEQ. Working with TCEQ for all in our jurisdiction.
 - US Government Accountability Office Interview on Risk Management Plan (RMP) for extreme weather and climate change effects.
- **Treasurer Report**
 - 2020 Year in review – Current fund balance is \$47,954.57 as of 12/31/2020. Overall costs were lower in 2020 than 2019.
- **PIO Report**
 - Release Incident(s) – One incident reported is now under investigation. Please note that it is important facilities report timely any hazardous materials releases to 9-1-1 with as much information known at the time. Follow-up reports should include more accurate information on the quantity, product, location and time of the release to better prepare response teams, community notifications, and plans for mitigation.
 - Houston Fire Department Updates – New hazmat unit now online
- **Member Reports**
 - Introductions: LEPC Members and New Members
- **Guest Speaker:**

Sheila Caguiat, MSW, Danielle Dawn Smalley Foundation, Executive Director. (972-472-6500) For over 11 years Sheila has been working at the Smalley Foundation to develop, enhance, facilitate and manage the organizations pipeline safety programs by working with stakeholders, industry, and regulatory agencies. She has personally delivered pipeline safety education and emergency planning to school officials in over 40 states across the nation in partnership with numerous pipeline companies. As a non-profit professional, Sheila has over 20 years of experience working with tribal, faith-based, public, and private organizations, many which include prevention and safety programming. Sheila holds degrees in human development, sociology, social work, and a master's degree in non-profit administration/community practice. She is a member of the Common Ground Alliance, has been published in industry journals and has spoken at pipeline safety conferences across the nation.

Visit <https://smalleyfnd.org/> for more information on the Smalley Foundation. Also visit <https://txssc.txstate.edu/videos/pipeline-safety/> for school pipeline

safety videos and materials as provided by the Smalley Foundation.

Next Meeting: Wednesday, May 26, 2021
10:00 a.m. – Noon via Zoom

TCEQ Rulemaking Activities as 03/30/2021

1. Rule Project No. 2021-006-332-WS, **Clarifying Composting Notice Process and Obsolete Terms** (https://www.tceq.texas.gov/assets/public/legal/rules/rule_lib/adoptions/20041328_aex.pdf)
 - a. The proposal will provide clarification that adjacent landowners are to receive a mailed notice and other relevant updates to better align with current industry practices. Affected landowners language was removed. Move from registration to permitting. The proposal would provide clarification regarding who should be notified for a notification-tier composting activity. This could result in higher quality applications, reduce number of notice of deficiencies, and provide consistent, efficient and timely review of applications. Proposed schedule and constraints:
 - i. Anticipated Proposal Date: July 14, 2021
 - ii. Anticipated Public Comment Period: July 30 - August 31, 2021
 - iii. Anticipated Adoption Date: December 2021
2. Rule Project No. 2020-011-291-OW, **HB 3542 and SB 700: Regulation of Utilities.** (https://www.tceq.texas.gov/assets/public/legal/rules/rule_lib/adoptions/20011291_aex.pdf) The rulemaking adoption will implement House Bill 3542, and Senate Bill 700, 86th Texas Legislature, 2019, Regular Session, to amend sections to reflect changes to Texas Water Code, Chapters 5 and 13. This rulemaking will amend TCEQ's rules relating to the economic regulation of water and sewer utilities as directed by the legislature. Key takeaways:
 - a. **Approved: 2/24/2021; Effective: 3/18/2021**
 - b. TCEQ to appoint a person to temporarily manage a utility.
 - c. TCEQ to issue emergency orders with/without a hearing to compel a retail public utility to provide water and/or sewer service to ensure safe drinking water or environmental protection.
 - d. TCEQ can issue an emergency order to compel a retail public utility to provide an emergency interconnection for not more than 90 days to ensure safe drinking water or environmental protection.
 - e. TCEQ may request the Public Utility Commission of Texas (PUC) to consider establishing reasonable compensation on an expedited basis to allow the retail public utility receiving the service to make a temporary adjustment to its rate structure.
 - f. Notice of a hearing under Texas Water Code (TWC) §5.504 to affirm, modify, or set aside an emergency order issued without a hearing pursuant to TWC §13.041(h) is adequate if the notice is mailed or hand delivered to the last known address of the retail public utility's headquarters.
 - g. Allow TCEQ commissioners by order or rule to delegate to the executive director of the TCEQ the authority to receive applications, issue emergency orders under TWC, §13.041(h), and authorize in writing a representative or representatives to act on the executive director's behalf.
 - h. Fixes an error from the 85th Texas Legislature (2017) to require an application filed under TWC, §13.258(a) to be submitted to the PUC and not the TCEQ.
3. Rule Project No. 2020-018-039-LS, **Amend Public Notice and Participation Requirements.** This proposed rulemaking would adopt to extend alternative language public notice and participation requirements for public meetings. (https://www.tceq.texas.gov/assets/public/legal/rules/rule_lib/proposals/20018039_pex.pdf)
 - a. A petition for rulemaking was filed with the TCEQ on 11/12/2019, by the Texas Environmental Justice Advocacy Services and Sierra Club (petitioner). The petitioner requested that the commission adopt rules that extend the existing alternative language requirement for public meetings held under 30 TAC §55.154, requiring at least 30 days mailed and published notice of public meetings, and guarantee professional interpretation services when commission rules require alternative language public meeting notice (Project Number 2020-012-PET-NR) as required by federal regulations (Title VI of the federal Civil Rights Act of 1964).

PENDING ENFORCEMENT ACTION - TCEQ Cases as of 01/25/2020

NOTE: Further details are available by filing an open records request at <https://www.tceq.texas.gov/agency/data/records-services/reqinfo.html>

NOTES:

BLUE: A previous pending enforcement action is no longer found in the Consolidated Compliance and Enforcement Data System (CCEDS) for a pending enforcement action as of this report date.

GREEN: New pending enforcement action.

YELLOW: Updated status on pending enforcement actions.

RED: A Tier II related pending enforcement action.

Pending Enforcement Actions: Actions that the agency will be taking in order to enforce rules, regulations, or statutes of the State. These actions are pending after they have been accepted for enforcement but while the enforcement action is not yet effective. They can include administrative orders, court orders, compliance agreements, or referrals to other agencies or to other programs within the TCEQ, such as the Superfund program.

Effective means something different for each type of action.

Administrative orders are normally effective three days after the Chief Clerk's Office mails the order signed by the Chairman of the TCEQ or on the date of hand delivery of the signed document.

Court orders are effective on the date the judge signs the order.

Compliance agreements are effective on the date the agreement, signed by the Respondent, is received by the TCEQ.

Referrals are effective on the date of the letter or memorandum that refers the matter to the other agency or division.

1660 Orders are names for Senate Bill 1660, 74th Legislature (codified in Texas. Water Code Section 7.070. 1) A state that the occurrence of any violation is in dispute and the entry of the agreed order shall not constitute an admission by the Respondent of any violation alleged in the agreed order. 2) A statement that the agreed administrative order, issued by the Commission, shall not be admissible against the Respondent in a civil proceeding, unless the proceeding is brought by the Office of the Attorney General to: (1) enforce the terms of the order; or (2) pursue violations of the Water Code or Health and Safety Code.

Regulated Entity: The entity (company, governmental body, person, etc.) located at the specific site where the violations occurred or, for a licensee, the person who caused the violations.

Respondent (customer): The party cited in an enforcement action who is responsible for correcting violations, possibly paying penalties, and complying with an issued enforcement order or compliance agreement.

Enforcement Action: The actions that the agency has taken in order to enforce rules, regulations, or statutes of the State. These actions can include **administrative orders, court orders, compliance agreements, or referrals** to other agencies or to other programs within the TCEQ, such as the Superfund program.

Enforcement Type: The type of enforcement action that the agency is seeking.

Training Opportunities

1. **Ethanol Emergency Response Webinars** - April 2021 (FREE + Certificates). 4-hours. The goal of these seminars is for attendees to gain a full ethanol and ethanol-blended fuel emergency response training experience that can be put to use immediately in the field. The training program will include the following elements: Ethanol and Ethanol-Blended Fuels, Chemical and Physical Characteristics of Ethanol and Hydrocarbon Fuels, Transportation and Transfer, Storage and Dispensing Locations, Fire Fighting Foam Principles, General Health and Safety Considerations, and Storage and Pre-planning Considerations. Certificates of Participation will be awarded to all registered attendees once the webinar has been completed. Registration: <https://www.transcaer.com/training/training-events/ethanol-emergency-response-webinars/10065>
Train the Trainer - Ethanol Emergency Response Webinar – (FREE + Certificates) for train a group of individuals who can then turn around and pass that information forward, equipping entire communities with the knowledge necessary to respond to any potential ethanol-related emergency. Registration: <https://www.transcaer.com/training/training-events/train-trainer-ethanol-emergency-response-webinar/10071>
Contact: Missy Ruff, Director of Safety and Technical Programs, Renewable Fuels Association (RFA), (402) 669-4025, www.EthanolRFA.org
2. **TCEQ, the State of Texas Environmental Electronic Reporting System (STEERS), Tier II Reporting (TIERII) visit** <https://www3.tceq.texas.gov/steers/>
3. **ONLINE & IN-PERSON HazMat Training. TRANSCAER® (Transportation Community Awareness and Emergency Response)** is a voluntary national outreach effort that focuses on assisting communities to prepare for and to respond to a possible hazardous material transportation incident. **Every Employer, Every Employee.** Every employer that deals in any way with materials regulated under the U.S. DOT Hazardous Materials Regulations is responsible for training its own employees, and there are no exceptions for the size of the business. Even a self-employed individual under these guidelines must comply with training requirements. <https://www.transcaer.com/training> .
4. **Texas School Safety Center (TxSSC).** Pipeline training and other emergency preparedness material for schools that is also available for use by other facilities. Visit <https://txssc.txstate.edu/tools/pipeline-safety/> for details.
