The profits from fundraisers that are not turned in by the deadline will be assessed a late fee. The profit margin will be smaller. Please meet all deadlines.

Band camp and masterclass fees directly supports bringing in professional musicians who can work with students in a more focused setting. There is only so much we can accomplish in a full band environment. These masterclasses allow for targeted instruction that helps students grow at a much faster rate. **This level of training will set our program apart and better prepare students to earn scholarships and continue music beyond high school.**

All uniforms will be stored in the Band Hall. Students will not be allowed to take uniforms home unless otherwise directed by the director. Instruments will be assigned on a first come, first served basis. Each member will also need an instrument locker, except for some percussion students.
