## PRESIDENT'S Message

Hello NAWIC Sisters!

February is the Month of Love! Wishing all our NAWIC members a Happy **Valentine's Day**! May your month be filled with love, laughter, and appreciation for the incredible women you are in our industry.

As we step into a new month, I want to take a moment to reflect on the amazing momentum we are building together. January's monthly meeting was truly inspiring. Jennifer Cearley and Kylie Belden delivered an outstanding presentation, *Communicating with Confidence*, that resonated with so many of us. It was a powerful learning experience on how to communicate effectively in the industry, and more importantly, how to overcome those challenges with confidence, clarity, and strength.

Looking ahead to February, we have exciting opportunities to continue making an impact. On February 5th, we hosted our Block Kids event at Lewis and Clark Elementary. Students were given 100 Legos, a string, a piece of foil, and cardboard, along with one hour to create a construction-related project. Thank you to Christie and committee for a great event! We appreciate the assist from all the judges! This event is always a reminder of why we do what we do—encouraging creativity and problem-solving and introducing young minds to the world of construction. I hope everyone has signed up to serve as a judge for this fun-filled and rewarding event.

Continuing our focus on education, we will also hear from Kitzie Vander Kooi, who will guide us through the latest prevailing wage reports and share valuable insights on staying compliant. Staying informed is key, and this will be a great opportunity to expand our knowledge and stay ahead.

And looking just around the corner, the first full week of March kicks off WIC Week. I can't wait to see what our incredible NAWIC ladies have planned as we celebrate and showcase the strength, leadership, and accomplishments of women in construction.

Finally, don't forget to mark your calendars for an important and exciting event: our Scholarship Fundraiser at Suite Golf on March 6, 2026. This is a wonderful opportunity to come together, have some fun, and give back to our community. We are raising funds to support our second endowed scholarship with OSU-IT, helping future students pursue education and careers in construction-related fields. Every dollar raised brings us one step closer to strengthening the next generation of industry leaders. Please help us spread the word by sharing this event with your colleagues, friends, and contacts—your support makes a lasting impact!

Thank you all for your continued involvement, dedication, and support. Together, we are learning, growing, and lifting one another higher every day.

**Paula Fennell,

## Safety Focus of the Month

### Cold Stress & Hypothermia Prevention

February weather continues to pose serious risks on commercial job sites, especially with wind exposure at elevated work areas. Supervisors should ensure crews are dressed in proper cold-weather PPE, take warming breaks as needed, and remain alert for signs of cold stress such as shivering, confusion, or loss of coordination. Working in pairs and watching out for coworkers is critical.

### Slip, Trip, and Fall Hazards

Icy surfaces, wet concrete, temporary stairs, and access points increase fall risks during winter months. Crews should maintain clear walkways, use approved footwear, and take extra caution when moving materials or working at heights. Report hazardous conditions immediately so corrective action can be taken.

### Winter Equipment & Vehicle Safety

Cold temperatures affect equipment performance. Daily inspections should include checking brakes, hydraulics, lighting, and fluid levels. Operators must allow equipment to warm up before use and be aware of reduced visibility and longer stopping distances when maneuvering in active commercial work zones.

### Fatigue and Reduced Daylight Awareness

Shorter daylight hours and winter conditions can lead to fatigue, especially on extended shifts. Adequate site lighting is essential for early morning and late afternoon work. Workers are encouraged to communicate if they are experiencing fatigue that could affect safety.

### Heart Health & Physical Exertion

February is American Heart Month. Cold weather increases strain on the body, particularly during heavy lifting or shoveling. Stretching before work, pacing tasks, and recognizing early signs of cardiac distress can help prevent serious incidents.

## NAWIC Meetings/ Dinners/Events Policies

A reminder of our Tulsa chapter policies concerning all of dinners and events. Please RSVP by the deadlines. We need confirmed counts for our restaurants ahead of time. If you are bringing guest(s), please supply their name and company.

All guests are paid for by the chapter the first time they visit, as well as new members—your first meeting is on us! After that, meetings/events will be charged unless otherwise indicated.

Members shall RSVP to attend the monthly meeting the Friday prior to the meeting (unless otherwise communicated) and will be billed for said meeting. Even if you cancel at the last minute, we need you to pay.

Our BOD has decided we need to be more vigilant. We run the risk of losing money as a chapter without this policy and we can't afford that.

We very much appreciate your understanding and your cooperation!

We are teeing up for Education!

It's that time of year for National Association of Women in Construction (NAWIC) Tulsa Chapter annual scholarship event, this year we will be hosting a Golf Scramble to fund our scholarship on **FRIDAY MARCH 6, 2026**, at Suite Shots Jenks. This event is open to **MEN and WOMEN, Members and NON-Members of NAWIC!**

Our annual scholarship fundraiser has allowed us to fully endow a scholarship at OSU Stillwater campus and start the endowment process for a scholarship at OSU-IT Okmulgee campus – **we are just \$10,000 away from it being fully endowed!** In 2025, our NAWIC chapter disbursed scholarship funds to both Drumright and Sapulpa Central Tech construction programs, as well as Tulsa Tech Education Foundation. These scholarships are open to male and females pursuing a career in the construction industry.

Come out and enjoy a fun day of golf while helping fund a scholarship that supports students going into the construction field! Whether you're playing, sponsoring or cheering us on- your support matters!

Paulie Tanner, Ronnie Walker, Paula Fennell, Kitzie Vander Kool represented NAWIC and the construction industry at the Union 8<sup>th</sup> Grade Center Career Fair this month. It was a day packed with sharing various construction career pathways with the students who are early in the "What do I want to be when I grow up" phase. We had about 350 students visit our table throughout the day. It was interesting seeing how alive some of the students became when they realized construction careers offer more than manual labor.

Construct My Future Tulsa is still in the planning stages to bring events to the Tulsa area schools. We are ironing out details for a location/date on the Construction Rodeo. Union High School has signed the contract to join the CMF Internship Program starting next fall. Summer 2027 we plan to host a Construction Camp for the Tulsa metro area.

# Rose Recipient NAWIC Tulsa

*As material for the construction of our building, I pledge the agility of my hands, the ability of my mind, and the integrity of my heart.*

In recognition of her dedication and leadership, Paula Fennell was honored with the NAWIC Red Rose Award presented to her by Sarah Hopper.

Paula has been with Craftsmen Resources for the past five and a half years, where she serves as the Human Resources and Accounting Manager. She has been married for 25 years and is the proud mother of two children, grandmother of five grandchildren, and great-grandmother of two great-grandchildren.

Paula joined NAWIC in 2022 and currently serves as President of Tulsa Chapter 76. She has been actively involved in NAWIC leadership, including service on the Scholarship Committee, Chair of Ways and Means, Vice President, and participation on every NAWIC committee.

Paula enjoys being part of such an inspiring group of women in the construction industry and, in her spare time, loves spending time with her family.
