

## PRESIDENT'S Message

Hello NAWIC Sisters!

Hello NAWIC Sisters!

If you missed Industry Appreciation, you missed an incredible event! A huge **THANK YOU** to our amazing Social Committee for making it all happen. **Congratulations** to the winners of the NAWIC Awards—your hard work and dedication truly stand out. And most importantly, **THANK YOU** to all our NAWIC members for your continued support and commitment to growing this chapter.

Be on the lookout for details about May's Trivia Night with AGC and NAWIC members! Speaking from experience—this event is always a ton of fun. I had the chance to meet some wonderful people last year, and one of them even became a NAWIC member! It was a little outside my comfort zone at first, but once things got going, it was an absolute blast. I hope to see you all there!

Looking ahead, June is shaping up to be a busy month—with our Scholarship Fundraiser and the election of next year's board. Please help spread the word about our fundraiser. Whether it's a gift or a monetary donation, every contribution helps and is deeply appreciated. Stay tuned and stay involved!

As we go through some recent transitions with a few members stepping down, we want to reassure everyone that our chapter remains strong, steady, and focused. Change is a natural part of any thriving organization, and we're confident in our continued growth. Thank you to all our members for your ongoing support—your dedication is the foundation of our success.

A gentle reminder: the heart of our mission is the empowerment of women in the construction industry. Whether it's helping with software, sharing industry knowledge, or simply offering a listening ear, we are here to support one another. This reflects NAWIC's core purpose: to strengthen and amplify the success of women in construction.

Our chapter remains committed to providing education, community, and advocacy for women in construction. We will continue to uphold these values as we move forward—together.

**Dana Cookson,**  
**NAWIC Tulsa Chapter 76 President**

# Driving in the Rain: Safety Tips

With the recent up-tick in rain, the Safety Committee wanted to share some tips on driving safely in the rain.

1. **\*\*Slow Down\*\*** Reduce your speed to maintain control and allow for longer stopping distances on slick roads.
2. **\*\*Use Headlights\*\*** Turn on your headlights to increase visibility for yourself and other drivers.
3. **\*\*Maintain Distance\*\*** Keep a safe distance from the vehicle in front of you to avoid collisions.
4. **\*\*Avoid Puddles\*\*** Steer clear of large puddles which can cause hydroplaning or hide deep potholes.
5. **\*\*Check Wipers and Tires\*\*** Ensure your windshield wipers and tires are in good condition to handle wet conditions.
6. **\*\*Stay Alert\*\*** Pay extra attention to the road and other drivers, as conditions can change rapidly.
7. **\*\*Avoid Cruise Control\*\*** Turn off cruise control to maintain full control over your vehicle's speed and response.

In order to become a President, President-Elect, or Vice-President, a member must have served on the Board for at least 1 year in some capacity.

## **UNFINISHED BUSINESS:**

None.

## **NEW BUSINESS:**

**Policies & Procedures:** The board was previously provided via email modifications to the Chapter's Policies & Procedures. Marla Carter recommended each member to become familiar with the documents. Paullei Tanner motioned that the revisions be approved as submitted. Jaylee Klempa seconded the motion. All present were in favor and motion passed unanimously. The approved Policies & Procedures will be signed and distributed to all members as an official document.

**Endowed Scholarships:** Paula Fennel explained the Chapter has one existing endowed scholarship: the Jean Harris Endowment with OSU in Stillwater. That fund has a requirement. The Chapter has been raising funds to increase the number of scholarships awarded. The Scholarship Committee has met with different schools to determine their requirements for new endowments. The following are the Scholarship Committee's recommended use of the scholarship funds that exist and that will continue to be raised:

- An endowed scholarship set up at OSU-IT, through the OSU Foundation. There is a requirement for it to be given as follows: 60% up front with the remaining 40% pledged to pay over the next five years. This will result in an award to one student each year. Once it's fully endowed, we can add money to it to raise the giving eventually to a double the award each year or two awards each year. The Foundation will choose the student based on our criteria.
  - Jaylee Klempa motioned that the recommendation be accepted. Paullei Tanner seconded the motion. Unanimously passed.
- TTC - one time award to their Foundation (Tulsa Tech Education Foundation.) This will be awarded to five students by the Foundation, to be used on clothing, PPE, tools. The Foundation will choose the students, based on our criteria. We would like to repeat this award each year, if funds are available.
  - Kristi Ostler motioned that the recommendation be accepted. Jaylee Klempa seconded the motion. Unanimously passed.

- Central Tech – one in Drumright, one in Sapulpa. A one-time award to their Foundation. This will be awarded to one student at each campus at by the Foundation. The Foundation will choose the students, based on our criteria. We would like to repeat this award each year, if funds are available.
- Jaylee Klempa motioned that the recommendation be accepted. Cindy Nelson seconded the motion. Unanimously passed.

Christi Farr expressed awe and gratitude that this organization can do so much for the youth. Kristi Ostler noted that these endowments are why the Scholarship Fundraisers are so important.

**New Member Installation:** Paula Fennell installed 5 new members to the Chapter. Abigail Sullivan, Cindy Nelson, Jennifer Bouchard, Karley Potter, Kitzie Van Der Kooi, and Blue (as honorary member) were installed.

**Industry Appreciation:** Next month the Chapter will have the annual Industry Appreciation Meeting with awards. Members and 1 guest are free. Additional guests are normal rate per person. Jennifer Cearley is working on awards and a chance to vote on members to receive awards will be sent out soon. The goal is to show appreciation to members and member employers who have supported the efforts of NAWIC. Guests can be spouses, supportive friends, bosses, coworkers, etc. The event will be April 15<sup>th</sup> at the Tulsa Country Club.

**Construction Industry Outreach Committee:** Paullei Tanner noted that the Chapter previously had a committee that focused on outreach to local high schools and career tech programs, and planting seeds into the trade programs. The committee is being reinstated to allow more focus to be put on speaking to students on careers available to them, female empowerment in the industry, etc. There are several programs being implemented by ASA in the Oklahoma City market that include Construct My Future, Construction Rodeo, She Builds, etc. Paullei would like to see the Tulsa NAWIC Chapter bring some of that focus to Tulsa. Several high schools in the area provide technical training to students, and she would like to see NAWIC be more involved. If anyone is interested in joining her committee to assist with this, please contact her.

**SPECIAL PRESENTATION** – Jennifer Cearley presented the red rose to Bailey Martin for her involvement in all facets of NAWIC.

**PROGRAM** – PD&E teamed with Bailey Martin to provide training to the members on MS Excel. She provided data on a pizza shop, and worked through formatting cells and using pivot tables to sort and compile data. She was able to explain how the tables work to the advantage of the user.

#### **ANNOUNCEMENTS:**

A Trivia Night will be held on may 28<sup>th</sup> at American Solera. NAWIC, AGC, and CLC will combine to host this fun night! Details to be provided soon!

The WIC WEEK Committee worked diligently to offer a week of awesome opportunities to highlight the women of construction during WIC WEEK. We kicked off the week with our quarterly Park clean-up at Arrowhead Park in Broken Arrow - this is a park that the Tulsa Chapter adopted many years ago we then headed over to Bramble Breakfast Bar for brunch and then some of the ladies shopped at a cool little store called Funktitude on Main Street in Broken Arrow.

We then had the opportunity to tour the Crossland Construction Job Site of Western Supply, a 318 residential unit, a George Kaiser Foundation Project. We then celebrated a networking Happy Hour Mardi Gras style at 473, where we enjoyed some king cake and met some new ladies.

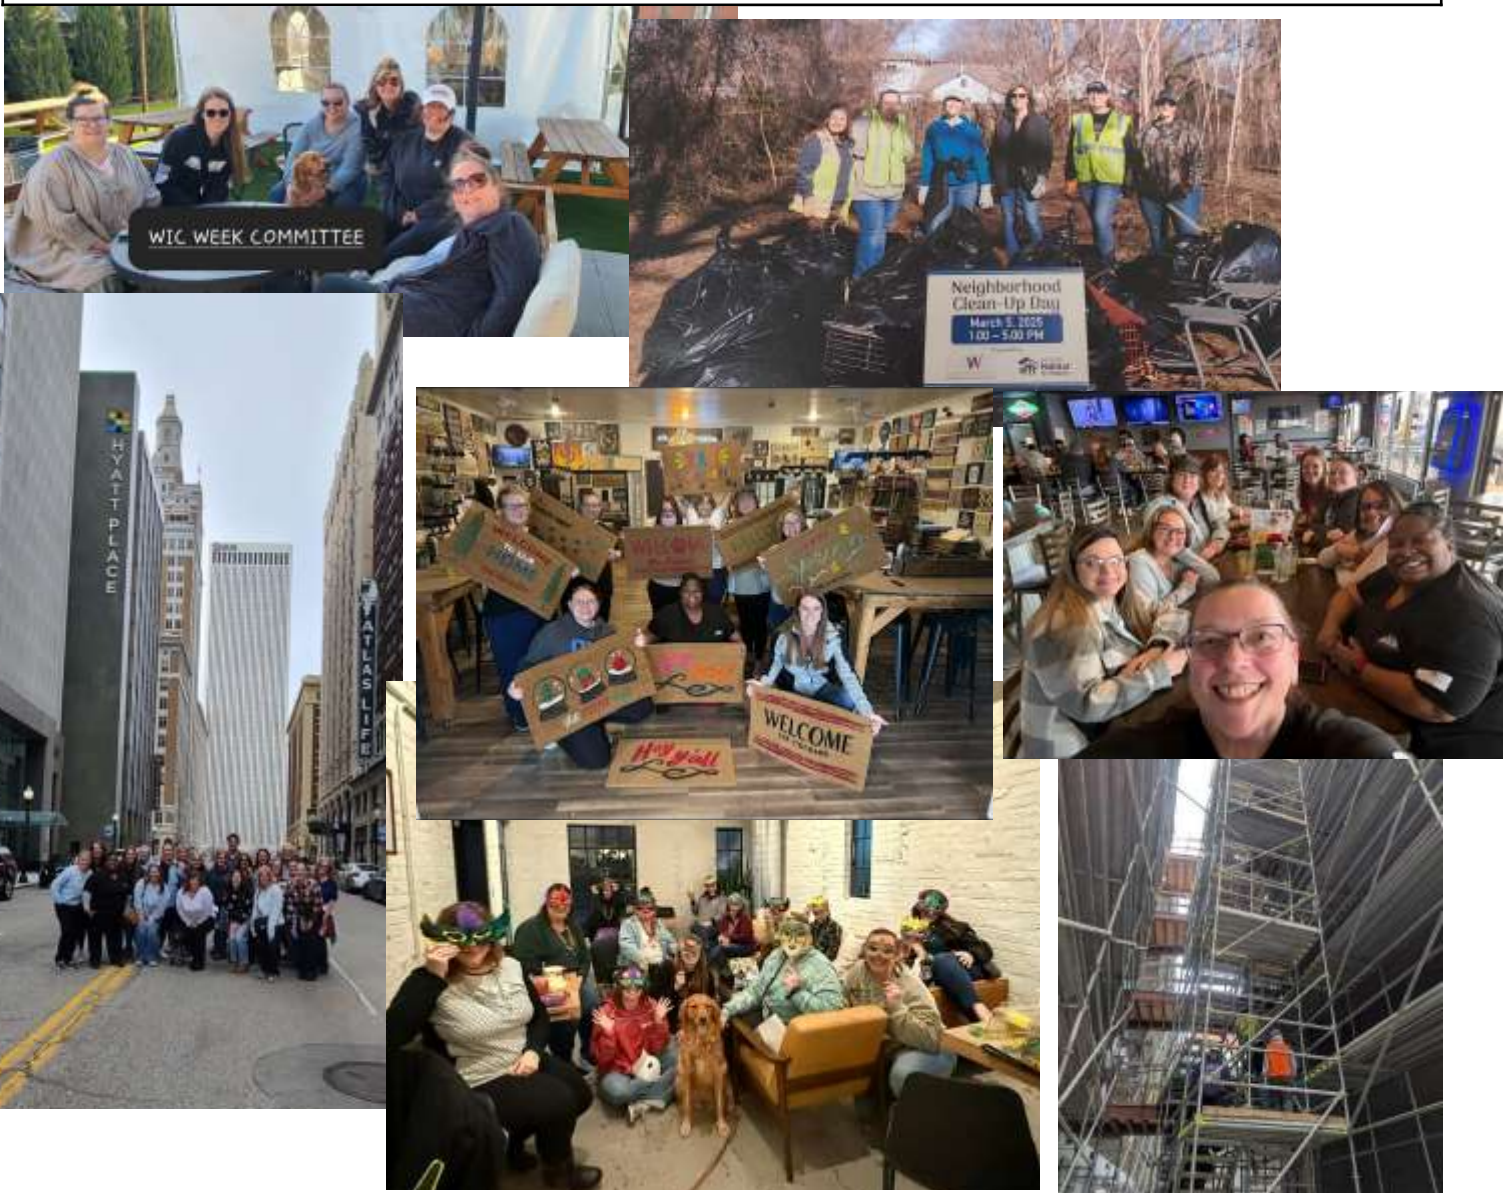

On Wednesday, we joined Green Country Habitat for Humanity by rolling up our sleeves to make a difference in the community by joining Habitat in a community clean-up day by taking on any effort to make a difference and a meaningful impact. While celebrating new builds like **Western Supply**, we also dove into the depths of Tulsa's underground tunnels and discovered the city's hidden history, followed by a happy hour and then dinner for a few of us ladies. The fun-filled week ended with a hands-on doormat workshop, which showed off the many talents of the ladies who joined in the fun. All of the events scheduled had a great turnout, and we hope you ladies enjoyed the week as much as we had planning it for you. All contest details have been submitted and we hope to win some of the categories if not all of them.

Thank you,

# Rose Recipient NAWIC Tulsa

NATIONAL ASSOCIATION OF WOMEN IN CONSTRUCTION

*As material for the construction of our building, I pledge the agility of my hands, the ability of my mind, and the integrity of my heart.*

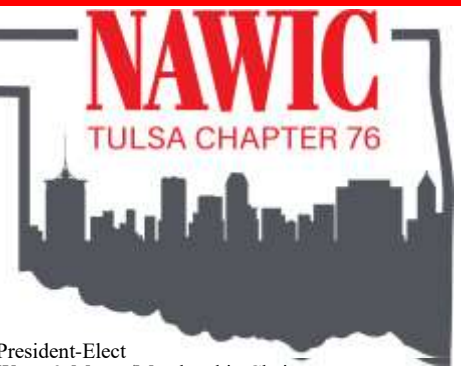

Jennifer Cearly bestowed the Red Rose in March to Bailey Martin.

Bailey has been in construction for six years as an infection control and interim life safety permit compliance specialist for healthcare construction projects. She has a background in infectious disease but stumbled into construction when working in the field as a laborer on a hospital construction project while in graduate school. She earned her Certified

Healthcare Constructor certification last year and is one of the only women in the state who currently holds the certification. She loves spending time with her husband and her daughter Claire, caring for the animals on their ranch, reading, and watching cooking shows.
