

PRESIDENT'S Message

Hello my NAWIC Sisters!

What an exciting start to our new term! From the passing of the board of directors to the Fall Conference, it has been a very busy time. I want to say thank you to last year's board of

directors and to Chrissie Humphrey for leading this amazing group of ladies over the past year. She certainly left a challenging path to follow! Thank you to the new board of directors for taking on this challenge for the new term. I know I cannot do this without each and every one of you. I am very excited to see what this year will bring.

Fall Conference! What else can I say but that we rocked it! Thank you to all the sponsors and volunteers who dedicated so many hours to making this an excellent event. It began on Friday morning with Zumba (I held little Miss Rosie, so I couldn't exercise but enjoyed watching everyone). Our outstanding speakers were impressive, and I tried to attend every session to hear a bit from each one. And, of course, let's not forget Saturday Night Margaritaville, where we danced the night away.

Now, on to our new year with exciting things ahead. I know we have scheduled "Build the Walls" for January, and I can't wait to help build the frames for new houses with Habitat for Humanity. I know we are working on some new ideas with them and I hope that this will be an ongoing project.

I am aware that our committees are working on some exciting events for this year. I have sent out the list for Chair/Co-Chair, and we are having a meeting to plan the year. Hopefully, in the next newsletter, we can provide a schedule for the year. I do have a list where we have lots of ladies signed up to help and to those who would like to help you can still join a committee.

Here's to a fun and exciting year!!

Dana Cookson,
NAWIC Tulsa Chapter 76 President

PINCH POINTS

A pinch point is defined as any point where it is possible for a body part to be caught between moving and stationary portions of machinery or equipment. If a person or body part occupies that space during the pinching movement, there is a high probability of injuries such as fractures, amputations, or even death. Be aware of pinch point hazards on your job and take these precautions:

- Prior to use, make sure that all covers and protective shields for equipment and machinery pinch point hazards are in place. Never work around moving machines while the guards are removed.
- De-energize, lock-out, and tag equipment being repaired.
- Be on guard whenever you put your hands, fingers, toes, or feet "between" anything.
- Make sure you have the proper hand clearance when setting down loads or carrying loads through doors.
- Wear gloves that are appropriate for the task. Keep in mind, however, that gloves may cause an additional hazard during some tasks if they get caught in moving parts.
- Avoid wearing jewelry or loose clothing that could be caught in moving parts. Tie back long hair.

NAWIC Tulsa Prayer Chapel

Please know we have
a prayer chapel on
Facebook.

It's a private group
and you may post
your own prayer
requests at any time
or if you'd rather,
please e-mail me and
I'll post them for you.

This is open to all members but is strictly
optional. We would ask that you read
the pinned post at the top of the page.

If you'd like to join the chapel, simply
request to be added. If you have any
issues with that, please contact me:

NAWIC Meetings/ Dinners/Events Policies

Just a quick reminder of our Tulsa chapter policies concerning all of dinners and events. Please RSVP by the deadlines. We need confirmed counts for our restaurants ahead of time. If you are bringing guest(s), please supply their name and company.

All guests are paid for by the chapter the first time they visit; as well as new members—your first meeting is on us! After that, meetings/events will be charged unless otherwise indicated.

Members shall RSVP to attend the monthly meeting the Friday prior to the meeting (unless otherwise communicated) and will be billed for said meeting. Even if you cancel at the last minute, we need you to pay. Our BOD has decided we need to be more vigilant and again start applying this to our monthly meetings starting in March. We run the risk of losing money as a chapter without this policy and we can't afford that.

We very much appreciate your understanding and your cooperation!

Rose Recipient NAWIC Tulsa

As material for the construction of our building, I pledge the agility of my hands, the ability of my mind, and the integrity of my heart.

Sara Fazel bestowed the Red Rose to Sierra Nunez at the October Membership Meeting.

Hi, I'm Sierra! I am an administrative assistant for Crossland Construction's Tulsa office. I never thought this would be my career path but do not regret one moment of it and am currently celebrating 2 years in the industry!

I am from Oklahoma originally but have lived in Texas, Ohio, Virginia, and Florida as well. My hobbies are traveling and baking for friends and family.
