

## PRESIDENT'S Message

Hello my NAWIC Sisters!

Firstly, I extend my warmest wishes to those of you attending the Spring Forum in Corpus Christi from April 11th to April 13th. Your participation not only enriches your knowledge and

skills, but also serves as a testament to our chapter's commitment to continuous learning and networking.

May this forum be filled with insightful discussions, fruitful connections, and memorable experiences that inspire and empower each one of you.

Closer to home, we have an exciting event lined up - the Industry Appreciation Night at Tulsa Country Club on April 16th. It's a moment for us to come together and recognize the remarkable achievements and contributions of individuals and organizations within our industry. Let's take this opportunity to express our gratitude, forge new partnerships, and celebrate the collective progress we've made.

Amidst these events, I would like to draw your attention to an important aspect of our chapter's journey - leadership. The nominating committee will soon commence its duties, tasked with crafting a nomination slate for our chapter's leadership positions. Members of this committee will reach out to each of you to gauge your interest in serving and leading our chapter. I encourage you to consider this call seriously. Serving in a leadership capacity not only enhances personal and professional growth but also enables us to shape the direction and impact of our chapter.

As we navigate through April's endeavors, let us remember the essence of our mission - to promote and support women in construction, to foster leadership and professional development, and to advocate for diversity and inclusivity within our industry. Each one of you plays a pivotal role in realizing these objectives, and together, we can continue to inspire, empower, and elevate one another.

Warm regards,

**Chrissie Humphrey,**

**NAWIC Tulsa Chapter 76 President**

# APRIL IS DISTRACTED DRIVING AWARENESS MONTH

Distracted driving has become a deadly epidemic on our roads. Cell phone use – specifically, texting, talking, and social media use – has become the most common distraction. Other risky actions include adjusting the radio or GPS, applying makeup, eating and drinking.

## Drive Responsibly

In 2021, distracted driving killed 3,522 people. April, which is national Distracted Driving Awareness Month, is a good time to regroup and take responsibility for the choices we make when we're on the road. Follow these safety tips for a safe ride:

- Need to send a text? Pull over and park your car in a safe location.
- Designate your passenger as your “designated texter” to respond to calls or messages.
- Do not scroll through apps while driving. Struggling not to text and drive? Put the cell phone in the trunk, glove box, or back seat of the vehicle until you arrive at your destination.

## The Consequences

During a portion of Distracted Driving Awareness Month, from April 4 through 8, you may see increased law enforcement on the roadways as part of the national paid media campaign Put the Phone Away or Pay.

This campaign reminds drivers of the deadly dangers and the legal consequences – including fines – of texting behind the wheel.

## Take Action

- Remind your friends and family: If you're in the driver's seat, it's the only thing you should be doing. No distractions.
- If your driver is texting or otherwise distracted, tell them to stop and focus on the road.
- Ask your friends to join you in pledging not to drive distracted. You could save a life. Share your pledge on social media to spread the word – #JustDrive.

**Dearest Supporter,**

This October, the Tulsa Chapter 76 of the National Association of Women in Construction (NAWIC) is thrilled to host the upcoming South-Central Regional Fall Conference. NAWIC is an association committed to championing women to impact the direction of the construction industry. NAWIC provides education, community and advocacy for women, and the Fall Conference is one of two annual opportunities for the NAWIC members in Arkansas, Oklahoma, Texas, Louisiana, and Mississippi to network and share their knowledge.

We have an exciting agenda planned, focusing on the theme "Claim your Seat"- encouraging the empowerment of women and finding our voice. Through a weekend of breakout sessions and networking opportunities, we hope to leave an impact on the attendees. As an event sponsor, you can play a vital role in making this possible.

On the following pages, you can find detailed sponsorship levels and benefits for your review. If you or your organization is interested in becoming a sponsor, please contact either myself, or Nicole Shields (nshields@garverusa.com)

We welcome and appreciate contributions of any amount. If none of the predefined sponsorship levels suit your preferences, please feel free to enter your desired donation amount below. Your support is invaluable to us.

Thank you so much for your time and consideration, we look forward to partnering with you in the months to come.

It's a private group  
and you may post  
your own prayer  
requests at any time  
or if you'd rather,  
please e-mail me and  
I'll post them for you.

This is open to all members but is strictly

## **NAWIC Meetings/ Dinners/Events Policies**

Just a quick reminder of our Tulsa chapter policies concerning all of dinners and events. Please RSVP by the deadlines. We need confirmed counts for our restaurants ahead of time. If you are bringing guest(s), please supply their name and company.

All guests are paid for by the chapter the first time they visit; as well as new members—your first meeting is on us! After that, meetings/events will be charged unless otherwise indicated.

Per our Guidelines & Traditions para. 12.a. The Treasurer will assume all Members will attend the monthly meeting and will be billed for said meeting unless they notify the Treasurer that they will not be able to attend said meeting the Friday prior to the meeting (unless otherwise communicated). Even if you cancel at the last minute, we need you to pay.

Our BOD has decided we need to be more vigilant and again start applying this to our monthly meetings starting in March. We run the risk of losing money as a chapter without this policy and we can't afford that.

**Ladies—do you have something to report?

Please let Jaylee Klempa know and she will get it in the Newsletter
