WHAT'S NEW THIS MONTH

As summer approaches TTS is preparing for a busy season. In order to better serve our customers we'd like to give you a few reminders. In order to better serve you we ask that you keep your account up to date. Any customer invoice balance not paid within 30 days of the due date is subject to a late charge of \$5. If a balance remains unpaid for 45 days, services will be interrupted until the balance owed is paid. Please place the trash receptacle curbside with the opening facing out.

Spring cleaning?

In order to keep our lake healthy and clean, please consider yard debris such as grass clippings and brush when spring cleaning. Proper disposal of these items is important. These items can be disposed of on this year's Lake Cleanup Day, Saturday June 1st. Drop off sites will include Washburn's Marina and AF Wake at the South end of Eaton Ferry Bridge. *Please do not place these items in your trash receptacle.*
