Greetings

Hope everyone is doing well despite the Covid-19 pandemic. A lot of activities are happening at the club. Meetings are the 2nd Thursday of each month and are the best place to stay informed of happenings at the club. A reminder that new members must attend at least 2 meetings and 3 work parties, ask an officer to sign your membership card. Club membership is open for people who are willing to support the club and its activities. All new members must be NRA members. NRA membership signup is available at club meetings. A reminder that all members that joined after June 14th, 2018 must keep their NRA dues current.

We have restarted our monthly meetings in the month of June which were suspended in the month of April due to the Covid-19 pandemic. Please plan to attend or support one of the events that the club sponsors. The events provide the revenue necessary to keep the club running.

Events and Information

A Sportsman's Flea Market at the club is scheduled for August 8th. If you wish to set up a table contact Mike Sullivan at mikes@ironmasterllc.com. Hunting, Fishing, Knives, Guns, Archery, and outdoor sporting equipment will be sold only at the Flea market. Doors will open at 8:00 am to the public with a \$2 admission.

Kids Fishing Day has been postponed until next year.

The Gun Bash committee is working on the 2020-gun bash which will be held on October 17th, 2020. The gun bash has been a great income generator for the club and has allowed us to do some major improvements such as a new air conditioner and a new roof. The purchase of a ticket is greatly appreciated and goes a long way to keep our club thriving. Please contact an officer or Sam Jaworskyj at 724-422-0632 or come to a monthly meeting if you would like to purchase or sell tickets. As an added bonus member will be given a free ticket for every 20 sold.

The club has been putting off a \$10 monthly gun ticket, 10 numbers on the Daily Pick 3. See Shad or Sam at the meeting if you can sell tickets or wish to buy a ticket.

We are looking to do some maintenance work on the pond. Currently we are getting bids and consulting with a pond management company.

Adam and Shad are working on the new 1000-yard range. Contact Bob King if you know any youth that would like to participate in rimfire target shooting. Berms are being added to improve the pistol range.

Summary

Thanks to everyone that helps support club activities such as selling tickets, taking care of the club and its grounds. Make sure to thank Gary for all the work he does taking care of any maintenance issue that pops up!

We welcome and encourage new and old members to get involved in the happenings and business at the club. All you need to do is sign up for one of the committees.

Enjoy the Sunshine!
