Greetings

Hope everyone is doing well and has had an enjoyable summer. A lot of activities are happening at the club. Meetings are the 2nd Thursday of each month and are the best place to stay informed of happenings at the club. A reminder that new members must attend at least 2 meetings and 3 work parties, ask an officer to sign your membership card. Club membership is open for people who are willing to support the club and its activities. All new members must be NRA members. NRA membership signup is available at club meetings and on our website, see Greg or Bill at meetings for NRA information. NRA membership renewed through the club provides benefits to the club. A reminder that all members that joined after June 14th, 2018 must keep their NRA membership current.

Membership dues are payable in person at the club meetings or by mail with the form attached to this newsletter. **Dues are due by December 31st. If paying by mail be sure to include a self-addressed stamped envelope. Members that joined after June 14th 2018 must attach a photocopy of their NRA membership card.**

Events and Information

The 1000 yard range has been completed and the first match was held on September 24th for club members. A Big Thanks to Adam and Shad for overseeing the range construction. Thanks also to the members that spent many hours working on the range pavilion. The 1000 range is only available to use on designated practice days and match days. All shooters must be qualified to use the range by Adam, Hookturnr@AOL.com . The Range is dedicated to the memory of Harry Jaworskij. Harry was our vice president and dedicated a lot of time and effort to promote the club to help it succeed and make it better. Harry is Greatly missed!

Tree stands on club property must be tagged with a tag provided by a club officer which are available at meetings. All tree stands must be removed by February 28th, 2024. After February 28th any tree stand on club property becomes property of the club. No baiting is permitted on club property.

Improvements to the pond have been made. Chemicals were added for weed and muck control. The aerator was serviced by Larry. I would like to thank George, Larry, Gary, Greg, and Shad for always being willing to work on the pond.

Contact Bob King if you know any youth that would like to participate in rimfire target shooting. Berms have been added to improve the pistol range. The pistol range is closed on days open for big game hunting. Please

pick up your used casings and leave the ranges as you found them. Don't forget to use the flags when using the rifle range. An elevated platform was constructed at archery range.

Check out the club website for additional information. Greg does a great job keeping everything up to date.

Summary

Thanks to everyone that helps support club activities such as selling tickets, taking care of the club and its grounds. Make sure to thank Gary for all the work he does taking care of any maintenance issue that pops up! Thanks to the members and officers who show up for work parties and put in time taking care of club business.

We welcome and encourage new and old members to get involved in the happenings and business at the club. All you need to do is sign up for one of the committees.

You must have your membership card on you when on club grounds and must show it if asked. Please hunt safe and keep our club litter free.

Have a safe and memorable hunting season.
