Greetings

Spring is here and it is a Great time to enjoy the outdoors. Meetings are the 2nd Thursday of each month and are the best place to stay informed of happenings at the club. A reminder that new members must attend at least 2 meetings and 3 work parties, ask an officer to sign your membership card. A new option is available for new members who can't make work parties, they will be able to pay an extra $60 at signup to opt out and get credit for the workdays. Club membership is open to people who are willing to support the club and its activities. All new members must be NRA members. NRA membership signup is available at club meetings. Our second amendment is under attack, it is our duty to contact our congressmen and senators and let them know that no infringement of our second amendment rights will be tolerated. Everyone has a few minutes to make a call or send an email.
