Volume XV, No. 1

Cardinal Dougherty High School, Buffalo, N. Y.

September, 1973

## FATHER BILL NAMED ASSISTANT PRINCIPAL

By Tim Haefner  
Editor

The appointment of Father William Rowland to the position of Assistant Principal and Dean of Studies heads the list of administrative and faculty changes at Cardinal Dougherty High School for the 1973-1974 school year.

Father Rowland replaces Father J. Aurele Godbout in the No. 2 post on Dougherty's administrative staff. Due to this new appointment, Father Angus Beaton, Guidance Department Director, will assume the full responsibility of acting as Guidance Counselor for all four divisions.

### New Teachers

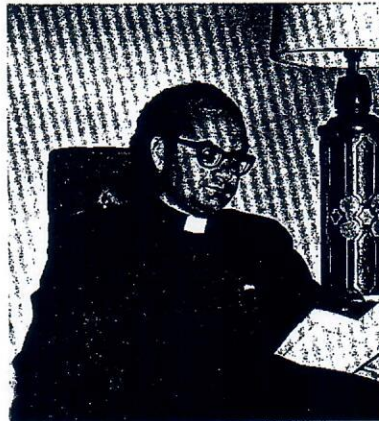

Two new faculty members will also be joining the Dougherty family for the coming school year. Mr. Thomas Galas will be teaching business courses and Mr. Joseph Vendetti will teach in the Science Department.

Two teaching reassignments will also effect long time staff members at Cardinal Dougherty High School. Mr. Bob Pacholski, who has taught I.P.S. for six years, will be teaching Biology and Mr. Ed Nowicki, in addition to his English IV duties, will teach two classes of European Studies.

### Closer Ties

Father Rowland, the first Dougherty student to become a Eudist priest, graduated from St. John Vianney Seminary in East Aurora, N. Y. He came to teach Religious Studies at his Alma Mater in 1970.

Since that time he has also acted as Frosh-Sophomore Guidance Counselor,

Fr. Bill Rowland

Director of Alumni Activities, a member of the school's Admissions Committee and been the very successful coach of the Frosh Cross Country team.

### U.B. Grads

Dougherty's two new teachers are both grads of the State University of New York at Buffalo. Mr. Galas recently graduated from U.B. while Mr. Vendetti received his initial degree in 1965.

Mr. Galas will be teaching Bookkeeping, Typing, Consumer Education and Business Law. Mr. Vendetti will teach all the frosh I.P.S. and Physics to the seniors.

### Departures

The school year will also be marked by the departure of some teachers who have long been part of the Dougherty scene.

Father Godbout, who taught Biology, served as Guidance Counselor and Assis-

tant Principal here, has left to go on to further studies.

He will be studying pastoral counseling at the University of Ottawa. Father Godbout also served for many years as the Superior of the Eudist Community in Buffalo.

Father Girard Rioux, who introduced many Dougherty students to the French language, has also been reassigned.

Father Rioux, who served also as second assistant principal here, will be doing pastoral work in the Diocese of Lafayette in Louisiana.

Mr. Francis X. Daumen, last year's senior Social Studies teacher and Varsity basketball coach, has returned to teach junior high school at Gateway Academy.

Mr. Rich Regula, who spent many years at Dougherty teaching Biology and Earth Science, will be teaching at Hopevale Academy in Hamburg, N. Y.

Mr. Regula also served as moderator of the Media Club, Asst. Track Coach and Varsity Wrestling Coach.

### To DeSales

Another person departing is a long tenured Dougherty teacher, Mr. Gerald Gaudy, who was promoted to the position of Assistant Principal of DeSales High School in Lockport, New York.

Mr. Gaudy, not only taught the business courses, but also served as Director of Driver Education, and was moderator of the very successful Christmas Basket Drive.

The SPOTLIGHT STAFF wishes all the new appointees the best in the coming years and extends our thanks to the departing members of our staff for their dedicated service to our school.

## OPEN HOUSE SET FOR SEPTEMBER 17

Dougherty's annual Open House will be held on Monday, September 17, 1973, from 7 to 9:30 p.m. Mr. Bob Pacholski, who heads the school's recruitment program and activities, is in charge of the program aimed at acquainting seventh and eighth grade pupils from the city with our school.

The evening's program will give area 7th and 8th graders a chance to familiar-

ize themselves with the student body, teaching staff and facilities of Dougherty High.

Students who attend the Open House will also receive free passes to the Dougherty — St. Mary's of Lancaster football game slated for 2 p.m. on October 7, 1973. This game is billed as the annual Eighth Grade Day at the Cards' football game.

## Help Wanted

Students interested in joining the SPOTLIGHT staff are asked to sign their name to the list posted on the bulletin board in the main corridor.

A meeting for all staff members will be held in the cafeteria at dismissal on September 6, 1973.

Reporters, copy writers, typists and photographers are needed for this year's staff.

# ZORNICK AND UTZIG LEAD YOUNG HARRIERS IN REBUILDING YEAR

Dougherty's cross country team will seek its eighth consecutive winning season this year when it opens a five meet league slate October 1st against Fallon and Duffy at the Delaware Lake Course.

The Cards, once again coached by Bob Pacholski, will be faced with replacing graduating Dom Secchiaroli, John Ryerson, Robbie Rath and Larry King, who made up four of the top seven on a squad which capped third in the All Catholics.

Coach Pacholski, who will be starting his fourth season as varsity mentor, will rely heavily on juniors in what most observers feel will be a rebuilding year for the Card harriers.

## Frosh A-C

Junior Russ Zornick, a frosh All-Catholic in 1971, along with Mark Utzig are the top two returning vets. Vito Passero and Jim Crowley, also both juniors, are the next two rated runners on this year's squad, with juniors Dan Syracuse, who sat out last season, and Bill O'Sullivan expected to help.

Frosh stars from last year's 6-3 squad are Marty Buchnowski and John Laudan, both of whom must help this season, if the Cards are to be a respectable performer.

Tom Black, Jimmy Chameli and Bill Leman are considered as prospects for the top slots on the squad.

## Musso Returns

The return of senior Mario Musso, who sat out last season, should help the Green and White. Musso was a top performer as a frosh and sophomore and could help add depth to the squad.

A number of sophs, who are listed on the candidates list for the team, should also prove helpful. Carl Barone, Kevin Williams, and Steve Kolock, all active in track last spring, will get a long look from Coach Pacholski with an eye to future plans.

St. Joes and Turner should once again

be the teams to beat, while Canisius should field its strongest team in the last five seasons. Timon and O'Hara will once again be very strong, in a Burke Division, which will be the best balanced it has been in many seasons.

The Card Frosh harriers compete the same days and against the same opponents as the varsity.

## ROBBIE RATH: MAZIKOWSKI WINNER OF '73

Robbie Rath, who won a total of 12 varsity letters in his four years at Dougherty was awarded the Edmund Mazikowski Memorial Award as the "top Card athlete" of 1973 at the Spring Sports Banquet in June.

Rath, who is now attending Arizona State University, participated in Basketball, Track and Field, Baseball and Cross Country during his four year stint at Dougherty.

During his four years wearing the "Green and White," he turned many key performances, including an 18 point performance in the Cards upset of St. Joes in basketball and a 10 point double victory in the Cards-Canisius meet,

which resulted in Dougherty's only track victory over the Crusaders.

## Record Holders

Rath also holds the school's high jump record of 6'0", which he set in his senior year, when he placed second in the Burke All-Catholic meet, after pitching seven innings of baseball the same afternoon.

The SPOTLIGHT awards for spring sports excellence went to Mike Bednarek in baseball, Paul Catania in track and field and John Mroz in tennis.

School mile record holder John Ryerson was awarded the Most Improved Athlete of the year award.

## Hiczun Cited

In a touching moment at the banquet, Coach Bob Pacholski presented a plaque from the school's athletes to Stan Hiczun, as the Most Courageous Athlete of 1973. Stan, who starred in football and track for three years, could not compete as a senior because of illness.

Speaking for Athletic Director J. Mike Niland and "the entire body of athletes at Dougherty," Coach Pacholski noted "this award speaks for itself in telling Stan and everyone at the school what Dougherty's athletic community thinks of him and his tremendous contribution to the school."
