Dear Member,

Golden Grain Energy ("GGE") along with their tax preparer, RSM US, LLP, have implemented a web-based portal to enable you to access your tax documents including Form K-1s from an online secure source. Since starting the program 5 years ago nearly 40 percent of our members are signed up to receive their K-1 through online access. The program has been an overall success. It not only saves time and money for GGE but it was also a big benefit for tax preparers and members who have a March 1st filing deadline. If you would like your 2021 K-1 to be delivered electronically to either you or your tax preparer please fill out the form below and return to GGE. Returning the letter to GGE gives your consent to access your K-1s through the secure portal and forgo receiving a paper copy. Please consult with your tax preparer if this is a service that may be beneficial to you.

If this is your first time electing electronic delivery, an email will be sent to you shortly before the K-1s are published in February with information as to how to access your account information. If you have previously signed up for electronic delivery, you will use the same login information as prior years. Please be sure you add <https://ggecorn.rsmhosting.com> to your safe sender listing and check your spam or junk mailboxes if you have not received the email when the K-1s are available. If you normally receive multiple Form K-1's you will need a separate login for each statement. Please contact GGE at bpeters@ggecorn.com or (641) 423-8525 if you have additional questions. This form can also be accessed on our website www.ggecorn.com under the Investors tab.

Regards,

Brooke Peters
Chief Financial Officer
