

Moose Lake area News

It sounds like our Federal, State and County Governments are starting to allow businesses to open back up. COVID-19 has taken its toll on many businesses, but we are a strong nation and I feel most of us will work our way out of this. I have been asked by many people when area restaurants bars and businesses will be opening back up. I thought I would do an article on just that. I spoke to many area businesses in the Moose Lake or Round Lake township area this past weekend. Most of these businesses are businesses that people in the Moose lake area like to patronize. I would like to share with you who is opening back up and when.

Louie's Landing: Jack will open every day except Mondays at 10 AM. The kitchen will close at 830 each day and the bar will stay open until bar closing time. There will be limited seating at all businesses because of the Social Distancing rule. Louie's will have live bait available and ice. Meals can still be made to go.

Charlie's Fine Food & Spirit: Will open this Friday May 22nd at 4 PM with order of the menu only. Because of COVID-19 there will be no Food Buffet. Just this Saturday evening there will be no Prime rib. The kitchen will be open until 9PM and the bar open until close.

Y-Pines Bar & restaurant: I spoke to Mark Snyder and he said he would be ready to go by the end of the month. He did not give me a specific date.

D & B Tackle: Dave Greene informed me that they are open 6AM to 8 PM everyday of the week. They offer live bait and tackle and a small collection of souvenir clothing.

Virgin Timber Resort: Tammy told me that they are excited to announce that moving forward the Virgin Timber Resort Lakeside Lodge is now a community space and event center. This means that you are always welcome to stop in and enjoy some games, take a potty break, or just relax and chat with some friends.

Covid-19 has thrown a bit of a wrench into their plans but as the world moves past this and it is safe to have larger gatherings we will start hosting events such as live music, lakeside movies and pizza night & magic shows. As events get finalized they will be publicized throughout the Moose Lake news column and through social media and their website.

Tammy & Chris said they are excited, about these new changes and hope that you will join us in making this space something that the community is proud of. Tammy also went on to say that they want to thank everyone for their support over the past few years. We have enjoyed getting to know our community and all the wonderful people in it.

Tammy also said, if anyone would be interested in hosting an event, please contact them. They would love to work you to make it happen. Feel free to reach out to them with any questions, comments, or concerns. 715-462-3269

The Crappies have been biting, but fish for them deeper than you normally do at this time of the year. The water needs to warm up a little more before they go shallow. That is the same with the bluegills if you are fishing for them.
