Learning in Harmony, Growing with Love

For the Month of: *October* 11

A Quick Message From Mr. Bleke

Hello again families!! We are still moving along well!! Every day I have with your awesome kiddos is a blessing!
Happy Fall!

Mr. Bleke

Important Dates

School Pictures → October 14

2 hour delay → October 28

Fall break! → October 10

E-learning day → October 13

What are we learning?

Math - We are launching into adding, subtracting, multiplying, and dividing decimals!

Language Arts - We are wrapping up "theme" and moving on to "point of view."

Science - We are still learning about Earth's systems.

Social studies - We are still learning about the lives of early Native Americans.

Writing - We are beginning "persuasive essays"

Reminders/ Tips/ Home Help

-We are on the same team! I am here for you! If you need me to call or want to set up a meeting about your scholar, just write me a note in your scholars planner, or send me an email 😊

-Some of our young people need help with practicing their multiplication facts outside of school. Ask them how that's going!

-Please help ensure your scholar is in school and well rested. We cover a lot in 5th grade, so it is difficult to catch back up.

A Note of Inspiration

Always remember you are one of a kind! You have something amazing to offer!!
