Reminders/ Tips/ Home Help

-We are on the same team! I am here for you! If you need me to call or want to set up a meeting about your scholar, just write me a note in your scholar's planner, or send me an email 😊

-Some of our young people need help with practicing their multiplication facts outside of school. Ask them how that's going!

-Please help ensure your scholar is in school and well rested. We cover a lot in 5th grade, so it is difficult to catch back up.

A Note of Inspiration

Every single one of you has something incredible and special to bring to the world! Believe it! Find it! You are all amazing in your own way!
