IN OUR CLASSROOM

IN LANGUAGE ARTS, WE ARE LEARNING HOW TO WRITE SECOND GRADE SENTENCES. THEY INCLUDE THE W'S: WHO, WHAT, WHERE, WHEN. BEING ABLE TO WRITE SENTENCES THAT MAKE SENSE HELPS US WRITE PARAGRAPHS AND PAPERS AS WE GET OLDER. IT ALSO HELPS US SPEAK TO EACH OTHER USING MORE CLEARLY!

IN MATH, WE WILL BEGIN WORKING ON ADDITION AND SUBTRACTION TO 200. THIS IS A VERY IMPORTANT SKILL! WE USE ADDITION AND SUBTRACTION JUST ABOUT EVERYDAY IN LIFE!

HELP! Cold and flu season is coming soon and we could use some tissues in the classroom, please. Any help is appreciated.

Also, if your scholar has not already done so, could you please send in headphones for them to use with their iPads. This helps keep noise to a minimum. Thanks You!!!
