BIRTHDAYS

OSANA DA 9-11-17

BIBI ZAINAB 9-25-17

HAPPY BIRTHDAY!

IN OUR CLASSROOM

We are always improving our reading skills! Have your scholar read to you each night, even if it's just a page from a book. ❤️

In Math, we are beginning to work on place value and addition.

In Science, we are learning about matter and the three states of matter. Ask your scholar about them!

HELP! Cold and flu season is coming soon and we could use some tissues in the classroom, please. Any help is appreciated. ❄️

Also, if your scholar has not already done so, could you please send in headphones for them to use with their iPads. This helps keep noise to a minimum. Thanks You!!!
