

# Career and Technical Education

## *February Newsletter*

Ms. Fegley

## *Financial Literacy*

### **6th Grade:**

Financial Literacy; JA Biztown prep

### **7th Grade:**

Financial Literacy; JA Finance Park prep

### **8th Grade:**

Financial Literacy; JA Finance Park review and prep

### **Fun Ways We Apply Our Knowledge:**

#### **6th Grade: Financial Services**

Financial Literacy

Scholars will work through their Citizens Guide workbooks in preparation for our visit to JA BizTown at the end of March. We will learn about financial services by analyzing banking advertisements, applying for a bank account, and playing "Banking Bingo."

#### **7th and 8th Grade: Income**

Financial Literacy

Scholars will work through their student workbooks in preparation for our visit to JA Finance Park at the beginning of April. We will learn about income, identify their interests and aptitudes to plan their futures, and discuss what taxes are and what we do with them.
