Important Dates

August 25th: 2-Hour Delay

September 3rd: Back to School Night

September 7th: No School – Labor Day

Homework

Homework will be sent home each night Monday – Thursday. It will be a combination of Math and Language Arts. Homework will never be something that has not been taught in class. Homework is a requirement and great practice for the skills we are working on in class.

Fridays, I will send home a paper informing you of any assignments your student has missing for the week. Papers will come home even if everything has been turned in. The paper needs to be signed and returned on Monday.

If you have any questions, or concerns, please call (579-4715).

Planners / Citizenship Points

Planners will start coming home this week. They are a great communication tool between home and school.

Each day, your student can earn up to 5 points: homework, AM block, specials, lunch, and PM block. Your child's points will be recorded daily. This just allows you to know how your student is doing each day.
