## Homework

Homework will be sent home each night Monday – Thursday. It will be a combination of Math and Language Arts. Homework will never be something that has not been taught in class. Homework is a requirement and great practice for the skills we are working on in class.

Fridays, I will send home a paper informing you of any assignments your student has missing for the week. Papers will come home even if everything has been turned in. The paper needs to be signed and returned on Monday.
