Personal and Employability Skills

6th Grade:

Diversity appreciation, cultural show-and-tell, personal leadership skills, self-management skills (focus, striving to do your best), digital citizenship

7th Grade:

Diversity appreciation, personal leadership skills, self-management skills (dependability, initiative), initiative project, digital citizenship, portfolio creation

8th Grade:

Diversity appreciation, personal leadership skills, self-management skills (dependability, initiative), digital citizenship, portfolio creation, mock campaign/interview

Fun Ways We Apply Our Knowledge:

6th Grade: Cultural Show-and-Tell!

Bring something in that is important to you and your culture and explain how it is important to you!

7th Grade: Middle School Community Initiative Project!

Formulate a community service project for your middle school to practice taking initiative!

8th Grade: Mock Presidential Campaign!

Create a “presidential campaign” to practice leadership skills, while using your portfolio to promote yourself!
