

S.T.E.M & HEALTH STUDIES

MS. BYRD

&

MS. PATTON

WHAT WE'RE LEARNING

6th grade: Flight Lab Paper Airplane
Engineering Project

7th grade: Rubber Band Powered Car
Engineering Project

8th grade: Paper Boat Engineering Project

What we're learning in Miss Patton's
class!

Exercise and American Sign
Language!

AT HOME CONNECTION

Discuss and make paper
airplanes or paper boats with
your scholars! Fun for everyone
in the family!

FAMILY CHALLENGE

Try getting at least 30 minutes of
exercise every day with your
family! Exercise releases
endorphins which can help with
mental health!

SPOTLIGHT

All middle school is grateful for Ms. Patton's Field Day Blast at Buckner Park! Relays! Tug of War teams! Popsicles! Giant yard games! Volleyball! Snacks!
