

S.T.E.M & HEALTH STUDIES

MS. BYRD

&

MS. PATTON

WHAT WE'RE LEARNING

6TH GRADE: COMPUTER CODING

7TH GRADE: OCEANS & ATMOSPHERE

8TH GRADE: NATURAL SELECTION

HIGHLIGHT OF THE MONTH: 7TH
grade investigates how the health of
the oceans affects the health of the
Earth.

What we're learning in Miss Patton's
class!

The Human Body and the
systems!

Did you know that humans have
78 organs?

AT HOME CONNECTION

With your 8TH GRADER:

Make list of family traits, count
how many persons have those
traits and make a Histogram.

FAMILY CHALLENGE

Keep your body healthy as a family!
Kids need 60 minutes of exercise a
day and adults need 30 minutes.

SPOTLIGHT

March 20th, 2026 at 10:46 am is the Vernal Equinox (Spring)!
Eid Mubarak!
