

Mrs. Moore's

April Newsletter

Reminders:

- Scholars will need a sweater to wear in the classroom because they are not allowed to wear coats or jackets. Please label the inside of them with their names or initials.
- Field Trip to Eagle Marsh at the end of the month.
- NWEA Testing will begin at the end of April.

Math:

- We will be working on 2-D and 3-D shapes.
- We will be working on height, length, and weight.
- We will be practicing counting to 100 by ones and tens. Please practice with your scholar everyday.
-

ELA:

- We will be focusing on putting sounds together to make words.
- We will be working on the Magic "e".
- We will also practice writing sentences and draw a picture to go with it.
- We will be working on the ending sound of a word.
- We will be working on sequencing.

- We will continue to work on comprehension by retelling stories.

Sight Words		Reading Sentences
there	down	1. My cat is orange.
when	from	2. He is big and tall.
some	want	3. How are you?
could	said	4. I love cake!
and	was	
how	help	

Writing:

- Our focus will be on learning how to form our letters correctly.
- We will be practicing on writing sentences.
- We are learning about the parts of a sentence and how to write them.
- We will also be writing stories and poems as a class.

Science:

- We will be talking about the weather.
