NOVEMBER NEWS FROM KOLKMAN'S KINDERS

We are working hard every day, have learned so much, and have come so far already! We are now in our second grading period up through winter break. This is what we will be working on in November:

Reading – new sight words each week, blending CVC words (consonant-vowel-consonant), and rhyming are our main focuses in phonics. We are also learning about characters, settings, and events in a story and how to retell a story.

Math – winding up addition with an assessment and beginning subtraction.

Science – talking about the changing seasons and weather and learning the names of our bones with Charlie Chan the Bony Man (a new skeleton "student").

*Our November field trip will be to a fire station to learn about fire safety and what firefighters do all day. Watch for more information coming home.

*Thanksgiving Break is Nov. 25-27

*We are in need of more snacks!! Our snack cupboard is bare and on days when we are not provided with fruit or vegetables from the cafeteria, the students are hungry in the afternoon. Please consider adding something to your list!

If there are ever any questions or concerns , please email me at brenda.kolkman@tljacademy.org, send a note in the green folder, or call the school office.

Thank you for all your support!

Ms. Kolkman
