

The First News!

News from 1st grade!!

Hello families and friends of 1st grade!

There is no school this Friday, October 10th for Fall Break.

We are going on a field trip to the Pumpkin Patch on October 16th!! Your child brought home the permission slip yesterday. Please sign it and send \$5.00 back to school with your child. Thanks! If you would like to attend the field trip, please let me know and I'll give you the info to meet us there.

Make sure your scholar is reading to you daily and getting plenty of rest at night. (8-10 hours!!)

Monday, October 13th is an eLearning day for all scholars. Your child will stay home and complete work from the yellow folder in the back of the binder. The work must be done and returned to school on Tuesday. Notes will come home with info.

Our school will be having a Trunk or Treat on Weds., Oct 29th

Thursday is the end of Quarter 1. Report Cards will come home soon so you can see your child's progress. If your child is struggling with something I will send home separate notes letting you know what things you can work on at home to help your child. I will also let you know what your child is doing very well with learning!! ☺

Have a fantastic week!! ☺

Academics and State Standards...

Reading/Language Arts:

Match oral words to written words, identify letters, words, and sentences, distinguish beginning, middle, and ending sounds, create and state a series of rhyming words, read common sight words, identify title, author, illustrator, identify parts of a story and be able to retell what happened, describe the roles of authors and illustrators, print legibly.

Math/Calendar:

Count, read, write #s to 100, show the meaning of addition and subtraction using objects and touchpoints, arrange whole numbers in order to 10 forwards and backwards, read and write number words to 10, describe shapes: circles, triangles, squares and rectangles and find them in the environment, comparing numbers to ten and 5 and 10 relationships and counting by 5s and 10s to 100.

Social Studies/Science:

Social Studies: learn about schools of today and schools of the past, know and understand the meaning of the pledge and its words, sequence events with time, understand and show good citizenship, Science: observe, describe and draw objects to learn about them, water can be a gas, liquid or a solid, understand living and nonliving, investigate and make observations to seek answers.
