

OCTOBER FIELD TRIP

Our next field trip is to a pumpkin patch! On Tuesday, October 14, all 3 kindergarten classes will be visiting Kurtz Pumpkin Patch for “Pumpkin School” in the barn and a wagon ride out to the fields to pick a pumpkin. We will leave at 12:00 and return around 2:00. The cost of this field trip is \$5. All students will be attending unless you let your teacher know otherwise.

Please be aware that this is also school picture day. If your child is dressed nicely, you may need to send other clothing to change into. We will be out walking in a pumpkin field.

Thank you for your help!
