

First Things First NEWSLETTER

October

Teacher's Note

Hi parents! We will soon begin introducing more challenging work that will encourage scholars to think critically, problem-solve, and push themselves beyond what they already know. We appreciate your continued support at home as we help our scholars build their academics.

Important Events

October 16- Fall Break

October 19- eLearning Day

October 27- 2- Hour Delay

October 29- Trunk or Treat/Culture Night

Learning Focus

- Math

Addition and Subtraction. Using manipulatives to solve equations

- Reading

Characters and settings. Learning about sequence of events. What happened first, next, then, last in a story.

- Science

Animals bodies and how they help them to survive

- Social Studies

Communities and traditions. What makes us who we are

Important Reminders

- Accidents happen! Please send an extra pair of clothes!
- Check your child's take home binder DAILY! This is where you will find homework and important information that you need to know pertaining to the school, class and your scholar
- Attendance is extremely important in your child's learning. Please send your scholars to school!
- CONGRATS TO OUR SCHOLAR OF THE MONTH!!!
