

FIRST GRADE MS. SOE'S CLASS

March 2026

What We Learned

Reading

This month we will be on Module 8: Tell Me A Story. In this module we will be focusing on long o and long i letter combinations.

Math

This month our scholars will be learning how to measure various items. They will learn how to measure various items correctly, as well as how to compare sizes.

Social Studies/Science

For Reading Module 8: Tell Me a Story, we will learn about different types of stories. We will discuss the aspects of a story and how we can hear or read about them.

Reminders

We will be going on several field trips these next few months. Please make sure that you look out for upcoming info about these trips.

Upcoming Events

- 03/20 - Field trip to the Allen County Public Library
- 03/27 - E-learning Day NO SCHOOL
- 03/30 - Spring Break
