

FIRST GRADE MS. SOE'S CLASS

April 2025

What We Learned

Reading

We are on Module 9 this month for reading. Some things that we will be touching on include vowel teams *ai*, *ay*, *oa*, *ow*, *ie*, and *igh*. We will also be learning about irregular words like again, away, and know.

Math

We will be moving on to Module 5 for math. We will be learning some exciting new things like how to tell the time, place values, and adding double digits.

Science/Social Studies

Our focus this month will be on learning about growth, development, and change through the study of plants. We will learn about the life cycles and characteristics of plant life through texts.

Field Trios

- 4/8 - Botanical Garden, 12:00pm to 2:00pm
- 4/22 - Allen County Public Library, 9:45am to 11:00am
