

SEPTEMBER
2025

FIRST GRADE

MS. SOE'S CLASS

What We're Learning

Reading

This month so far we've learned about the short *a* vowel sound and short *i* vowel sound. Later we will learn about the short *o* vowel sound and short *u* vowel sound. We have been working hard on reading comprehension and referring back to the text to answer questions.

Math

The students have been learning about units of ten. They have learned how to use the rekenrek, how to use tally marks, and other ways to count. They've also learned how to organize and sort objects, and how to find totals.

Homework

Please have your students work on their homework packets every evening. They should be completing one sheet a day on each corresponding day.

Nice to Meet You!

Hello! My name is Ms. Soe and I am your student's new first grade teacher. I started working the second week of September and have enjoyed getting to know your students since then.

Reminder. Review the behavior charts in your child's binder daily!

Upcoming Events

- 9/30 - 2 Hour Delay
- 10/10 - Fall Break
- 10/13 - E-Learning Day
