KENNY FLOWERS

Kenny Flowers was founded by Kenny Haisfield in 2015 when he quit his corporate consulting job in NYC to move to Bali and start making a new wave of Aloha shirts for his friends.

A few years and a few thousand shirts later, Kenny's best friend, first female customer, and now wife, Christina (luxury travel blogger Jetset Christina), expanded the brand into women's swim, resort and ath-leisure wear.

Together, they've created a distinguished, sun-soaked line inspired by their experiences around the world, and designed to complement yours.

As an avid golfer and 19th hole regular, Kenny is excited to introduce the 2025 line to you.

AMBASSADOR PROGRAM

Our ambassador program is designed with golfers and golf professionals in mind, giving you the chance to share your love for the game and our products!

Kenny Flowers invites you to experience the perfect blend of classic style and modern performance while creating lasting memories with your little ones on the course.

For every 24 units booked, you'll receive a complimentary item of your choice in your preferred color and size! Use it for personal enjoyment, brand awareness, or as a giveaway to your favorite junior golfer.

We love seeing our ambassadors share their looks on social media and are excited to feature their photos on our channels. It's a great way to showcase your personal style and market your shop to the Kenny Flowers community!
