This month we begin the season of Lent as we follow Jesus to the cross where our redemption was won for us by his once for all sacrifice for our sins. I love this season because it helps us to make and keep the

main thing, the main thing! Our connection to the cross, to Jesus, and to his gift of salvation is the main thing in life. Without it we are doomed to destruction, now and forever. But with it we are blessed to live each day as God's forgiven children and as heirs to eternal life with him in heaven where we will be blessed forevermore.

This is why the season of Lent is mostly a somber and sobering time of year. It is somber and sobering because it was our sins that led Jesus to the cross to suffer and die. It brings to the front and center of our lives that sin, our sin, is serious business that had to be dealt with and punished to the full extent of the Law. It also opens our eyes anew to the fact that there is still sin in our lives that needs to be dealt with God's way. We need to acknowledge our sin and turn from it in repentant faith so we can find grace and mercy in our time of need at the cross. Repentance is one of my favorite words in the Bible because it implies a turning away from sin to live wholeheartedly for God, to obey Him in every area of our life. In fact, the Old Testament word "repent" was God's way of inviting His people to "Return to Him."

The season of Lent is also a joyful and impactful time of year. As we "Return to the Lord," we find that His arms are open wide to receive us, forgive us, bless us, affirm us, restore us, heal us, and empower us to live as His chosen, redeemed, set aside people, who now carry His presence into the world. In the season of Lent, amazing things happen as dead things come alive, broken things are made new, and empty things are filled to overflowing with the life He gives. All of this happens as we come to a place in our lives where we see the cross for what it is and see Jesus for who He is.

Therefore, I want to invite you to join me on this Lenten journey where we "Return to the Lord" in a wholehearted way, in repentance, in faith, in awe, in joy, in obedience, and in thanksgiving. Join me as we...

Return to the Lord in His Word! Jesus is the Word made flesh. He is there throughout the whole Bible! Just look for Him! That is his invitation to us in returning to him. If we will but seek him in His Word, we will find him. Start this season of Lent by turning off the news and turning your eyes toward Jesus in his Word. Start each day reading the Today's Light Bible readings assigned for each day. Open your Portals of Prayer and meditate on

his goodness and grace that is shared in each day's devotion. Attend a Bible Class or two, or three, each week (we offer several throughout the week) and join your brothers and sisters as together we seek more ways to "Return to the Lord," and to encourage each other in our journey.

Return to the Lord in Prayer! Prayer is one of the best ways to "Return to the Lord," as it builds intimacy with him. He is just waiting for us to turn to him in this way that is intimate and personal. We can return to him with words of praise, thanks, honor, glory, humility, and requests to see his Kingdom come and his will be done in our lives, church, nation, and world. What a blessing this is. You can even join me every Tuesday at 7:00 am in the sanctuary for a time of intimate prayer.

Return to the Lord in Worship! As we begin this Lenten season, we will hold our Lenten services every Wednesday at 10:30 am and 6:30 pm. This is in addition to our worship services on Friday at 6:00 pm, Saturday at 4:00 pm, and Sunday at 8:30 am and 11:00 am. Worship is where we have the joy and honor as God's people to gather in His name and draw near to Him as He draws near to us.

Return to the Lord in Service! We have all been created, redeemed, and blessed in unique and personal ways for the purpose of serving our Lord according to the plans he has for each of us in this world. Serving is what God's people do with their lives as an expression of obedience, thanks, and praise to him! We serve because we want to honor him with our lives devoted to Him. We serve because people need Jesus too!

I want to encourage you to invite people to join you on this Lenten journey. People are actually hungry for a relationship with God or a deeper one than they are experiencing at the moment. Be bold in stepping out to invite people to more of Jesus. I will be there with you every step of the way. Can't wait to get started!

FALCO'S CHILDREN'S VILLAGE- TANZANIA NEWS: Last month, we reached out in desperation regarding our broken water pump, which supplies water to our entire village, livestock, and farmland. Thanks to your generous support and God's grace, we were able to cover the cost of the repairs! We are so thankful that it only cost \$1,000 and we now have running water again. From the bottom of our hearts, thank you!

While we rejoice in the blessings we have received, we must also share our urgent need for ongoing financial support. Our monthly budget remains over \$20,000 to provide food, clothing, education, staff salaries, and maintenance for our growing family. While one-time donations are deeply appreciated, it is our faithful monthly supporters who sustain us and allow us to plan for the future.

We are reaching out especially to those who may feel called to join us in this journey as a monthly donor. Whether it is \$25, \$50, or more each month, your steady support ensures we can continue to care for these children and invest in long-term sustainability. By going to Falco's website: www.falcoschildrenafrica.org you can see different support options.

If you choose to partner with us monthly, we will gladly keep you updated with reports, pictures, and specific ways your support is making a difference. There are so many areas where help is needed—our farm, agricultural improvements, livestock care, plumbing, and general maintenance. We also ask anyone with ideas to help us grow.

LAWN CARE NEEDED:

Now that Spring has arrived, the grass will start growing! Our church members take care of keeping our church property beautiful during the growing months. We have good lawn mowers and other lawn equipment to be used by volunteers. Please consider helping us this spring/summer! Contact Pastor Anthony for more information.

THANK YOU:

I want to thank Pastors Jon & Anthony for all the visits, communion, and prayers during Sherry's illness. When you brought Communion to us we were always rejuvenated by God's love and power. Thank you for the inspiring funeral service. You did my best friend and love of my life right by the words you spoke. Thank you to all First Lutheran members who attended. God bless you.

To the Touch Team: Thank you for taking time to prepare food for us. It was greatly appreciated. Especially to Odis and Lorene for bringing it to our home in Bismarck. May God bless you all. You are doing a great work for the ministry of Jesus Christ. *Sincerely, Randall Buck & the Ytzen Family*

ATTENTION THRIVENT MEMBERS: The benefits that come from having Thrivent financial products are such a blessing for our congregation. Members can lead two Action Teams each year to serve our church family or people in the community. "Choice Dollars" are given to each member and can be designated to the charity of their choice. If you would like to lead an Action Team in 2025 and need ideas for service projects our congregation can work with, please contact Karen Beyer. We used member Action Teams for the Falco's Chili Fundraiser and the Parent-Teacher Dinner at Langston. We are also buying new basketballs for Next-Level Sports. Service projects can also be done for individuals in need. Let's use these benefits to bless others!

Reminder: 2024 CHOICE DOLLARS need to be directed by March 31, 2025.

Enjoying this Journey

by Jackie Johnson

Waiting is never easy. Whether we're waiting for an answered prayer, a breakthrough, or clarity in a decision, the waiting season can often feel like a time of uncertainty and frustration. However, the Bible reminds us that waiting is not a passive experience—it is a time of growth, trust, and preparation.

Ecclesiastes 3:11 says, "He has made everything beautiful in its time." While we may not understand why we must wait, we can trust that God's timing is always perfect. His delays are not denials; rather, they are opportunities for us to develop patience and deepen our faith.

Isaiah 40:31 encourages us with these words: "But those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint." Waiting on God requires trust, but it also leads to renewed strength and unwavering faith. During this season, we learn to lean on God's promises, knowing that He is working all things together for our good (Romans 8:28).

Much like a seed planted in the soil, growth happens beneath the surface during the waiting season. God uses this time to refine our character, shape our hearts, and prepare us for what lies ahead. James 1:3-4 reminds us that "the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything." The waiting season is a season of preparation, equipping us for the blessings that are to come.

Though waiting can be challenging, we can find peace by focusing on God's presence rather than our circumstances. Philippians 4:6-7 encourages us to "not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."

Instead of allowing worry and doubt to take root, we can choose to rest in God's peace, trusting that He is faithful to fulfill His promises. I encourage you to use this time to draw closer to God through prayer, worship, and studying His Word.

JOIN ME IN PRAYER: Heavenly Father, thank You for Your perfect timing and unfailing love. In this season of waiting, help us to trust You with all our hearts, even when we cannot see the way ahead. We surrender our hopes and desires to You, confident that You will make all things beautiful in Your time. In Jesus' name, Amen.
