

FOR IMMEDIATE RELEASE

**Safari Junction Launches Shoe Drive Fundraiser  
to Raise Money for animal habitats.**

**Eaton, OH., 2018** – Safari Junction, [www.rzoo4u.com](http://www.rzoo4u.com) is conducting a shoe drive fundraiser from July 15, 2018 to October 14, 2018 to raise funds for animal habitats for our animal ambassadors. Safari Junction will earn funds based on the total weight of the pairs of gently worn, used and new shoes collected, as Funds2Orgs will issue a check for the collected shoes. Those dollars will benefit our animal ambassadors. Anyone can help by donating gently worn, used and new shoes at 2961 US Route 127 South, Eaton, OH 45320.

All donated shoes will then be redistributed throughout the Funds2Orgs network of micro-enterprise (small business) partners. Funds2Orgs works with micro-entrepreneurs in helping them create, maintain and grow small businesses in developing countries where economic opportunity and jobs are limited. Proceeds from the sales of the shoes collected in shoe drive fundraisers are used to feed, clothe and house their families. One budding entrepreneur in Haiti even earned enough to send to her son to law school.

"We are excited about our shoe drive," said Dianna Beneke, owner of Safari Junction. "We know that most people have extra shoes in their closets they would like to donate to us. By doing so, we raise money for our animal ambassadors, and we have the chance to help families in developing nations who need economic opportunities. It's a win-win for everyone."

By donating gently worn, used and new shoes to Safari Junction, the shoes will be given a second chance and make a difference in people's lives around the world.
