

Things I Would Do To Get/Keep My Marriage On The Right Track

1. Become personally committed to having Christ live in me.
2. Deny myself materially and put my financial house in order by tithing and being sure all bills are paid, I am not borrowing a lot of money, and I don't use funds need for essentials on personal or fleshly pleasures.
3. Become committed to eliminate from my mouth lying, foul language, and any speech not compatible with Christ.
4. Attend a Christian assembly every Lord's Day and participate in a minimum of one group Bible study a week.
5. Make my mate number 2 on my list of important persons (Christ #1) and don't make of the mistake of letting any friendships replace my mates place in my life.
6. Eliminate the word "Divorce" from my vocabulary and when faced with troubles use all available scriptural tools to bring me and my mate back together.
7. Learn to be led by God's Holy Spirit so that I can have the fruit of the Spirit in my life. Be sure that AGAPE love for my mate is very important to me.
