PATH 3

ALLEGATIONS: GENERAL NEGLECT // SEXUAL ABUSE

R/P STATES THE FOLLOWING: Connor (7) and Baylee (5) Dunn are the children of Gregory (Greg) and Sheila Dunn.

On 08/31/2009. Sheila's sister, Breana N. (19), started talking about the sexual abuse she endured for years by Greg Dunn. Breana stated that when she was six years old, she was riding in a truck with Greg when he stopped by the side of the road. He rubbed her all over and then had her "suck his dick." Most of the abuse took place in vehicles.

Once when she was almost 8 years old, Greg and Sheila were living with Breana and her mother. Greg had Breana on the couch with him and actually penetrated her vagina with his penis. Breana's older brother saw what was happening and told his mother, Anna N. Mother made Greg and Sheila move out for a short while. Sheila convinced her mother that Breana was too young to have known what was happening to her and that her brother didn't see anything.

Greg would "do stuff when he could." He would "find anyway he could." He found ways to rub and touch her. Greg threatened Breana that he would kill her and her mother if she ever told anyone. "It mostly happened in cars." It started when the family lived at [REDACTED] It continued on [REDACTED] and happened during a trip to Lake Success. The molestation finally stopped when Breana moved out of the home at about age 18.

At one point, Sheila and Greg had custody of cousins Kimberly D. (now 18) and Kate C. (15). Kimberly admitted to Breana that Greg sexually assaulted her also. Kate [REDACTED] has not said anything yet. There is great concern Greg is molesting his children and possibly others.

SCREENER NOTES: REF HX // Sheila and Greg were Positive Attitude Foster Parents in 1997 and 1998. Kimberly reported Greg molested the foster children. A record check indicated there had been four placements with three ending with complaints on the home at [REDACTED] The Foster Agency requested the forth placement changed. The foster youth involved were Pablo S., Cindy H., Daniel M. and William M. They are now adults.

Now Sheila and Greg run a day care home. SPLIT W/ Anna N. (EO)

I was assigned to conduct additional follow up investigation on this Child Protective Services referral. This CPS referral stated that Breana Nolen (19) was molested by her brother in law, Greg Dunn (38) when she was a child. I made phone contact with Breana Nolen and scheduled an appointment for her to come to the Bakersfield Police Department for an interview.

On 9/2/09 at approximately 0920 hrs Breana Nolen (19) came to the Bakersfield Police Department. Nolen told me that she currently resides at home with her mother, Anna Nolen (48) and the two of them live alone. Nolen explained that she had one brother, Donald Nolen (27) and they were raised by their mother. Nolen stated that from the time she was born, her family lived with Sheila Dunn and her mother, Paula Brown (63). Nolen advised that they are not related biologically, however, she was raised believing Sheila Dunn was her sister.

Nolen stated that when she was 4 years old Sheila Dunn married Greg Dunn and he then moved into their home. Nolen stated that when she was 5 years old they all moved to [redacted]. Nolen stated that sometime after they moved to [redacted] she recalled being molested by Greg Dunn for the first time. Nolen estimated she was 6 years old when it happened the first time. Nolen recalled it was summertime and it was nearly dark on the day the incident occurred.

Nolen stated that Greg Dunn was going to a friend's house and asked her if she wanted to go with him. Nolen agreed to go. On the way home, Nolen stated Greg Dunn pulled his car over to the side of the road. Nolen stated that Greg Dunn pulled her pants off and began to touch her vagina with his hands. Greg Dunn inserted his finger into Nolen's vagina. Nolen stated that Greg Dunn also orally copulated her vagina. Greg Dunn also exposed his penis and placed Nolen's hand on it and moved her hand up and down on his penis. Greg Dunn also had Nolen orally copulate his penis.

I asked Nolen if she recalled if Greg Dunn ejaculated. Nolen stated she did not specifically recall Greg Dunn ejaculating, however, she recalls Greg Dunn using napkins to clean his penis and the car seat. Greg Dunn told Nolen that no one could see that. Nolen stated that she could not recall what Greg Dunn did with the napkin. Nolen stated that this lasted approximately 10 minutes. Nolen stated that when she got home she did not tell anyone what Greg Dunn had done to her. Nolen stated that Greg Dunn threatened to harm her mother and brother if she said anything.

I asked Nolen when the next time was that anything happened. Nolen stated they got jet skis the following summer and they would often take them to the lake. Nolen stated that she would ride on a jet ski with Greg Dunn and he would be behind her. Nolen stated that Greg Dunn would move her bathing suit to the side and insert his finger into her vagina. Nolen stated that this would happen every time they would go to the lake.

I asked Nolen if anything happened between the time she was molested the first time and the time they got the jet skis. Nolen stated that she did not recall many details because she had blacked it out. Nolen did say that between the first time she was molested by Greg Dunn and the following summer with the jet skis, she remembered minor details. Nolen recalled going on car rides with Greg Dunn. Nolen also advised they had a pool

house in the back yard and she recalled Greg Dunn taking her into the pool house. Nolen told me she knows that things happened but she could not recall any specifics.

I again asked Nolen if she was sure she could not remember any details of the things that may have happened to her after the first incident. Nolen told me she could not recall in as great detail as she recalled the first incident, however, she could remember some things.

Nolen told me she recalled Greg Dunn taking her into the pool house and he put a game on the computer called 101 Dalmatians. Nolen stated Greg Dunn would take off her pants and digitally penetrate and orally copulate her vagina. Nolen stated she recalled this type of thing occurring once or twice a week. I asked Nolen if there was anything Greg Dunn would have her do to him. Nolen stated that he would have her masturbate his penis and orally copulate his penis.

I asked Nolen where the rest of the family was when this happened and she told me that Greg Dunn lived with them and no one thought anything unusual was taking place. Nolen stated she would go places with Greg Dunn or he would take her to the pool house where no one else was present.

I asked Nolen what the next thing is she remembers. Nolen told me when she was 9 years old she and her brother and Greg Dunn were in the pool house. Nolen stated that her brother left the pool house to get something and Greg Dunn locked the door when her brother exited the room. Nolen stated that Greg Dunn took off her pants and took off his pants and put her on the sofa. Greg Dunn got on top of Nolen and he inserted his penis into her vagina. Nolen stated this went on for about 20 minutes.

Nolen stated that her brother came back to the pool house and knocked on the door. Nolen stated that Greg Dunn jumped up and put his clothes back on. Nolen stated that after the door was unlocked her brother came in and asked why the door was locked. Greg Dunn told him that he probably locked it when he left. I asked Nolen if her brother suspected anything and she told me that she thinks he did. Nolen stated that when Greg Dunn would take her places, her brother would make an excuse to go along with them. Nolen stated that her brother was 17 years old at the time. Nolen stated that her brother never actually asked her if anything happened.

Nolen stated that when she was 9 years old the whole family moved out of the house on [REDACTED]. Greg Dunn moved to an address on [REDACTED] and she and her mother moved to an address at [REDACTED]. Nolen stated she remembers being in the 3rd grade at this time. Nolen stated their homes were close to each other and she would go over to visit with Sheila Dunn all the time. Nolen stated she remembers being 10 years old and in the 5th grade when Greg Dunn had two nieces from his side of the family, move in with him. Nolen identified the nieces and their ages at the time as Kate [REDACTED] (5) and Kimberly Dunn (9).

Nolen stated she does not remember anything else happening until she was 14 years old and a freshman in high school. Nolen stated that she was babysitting Greg Dunn's children at his house and Greg Dunn came home. Nolen stated that Greg Dunn asked her if she was a virgin and she did not answer him. Greg Dunn told Nolen that he could take her upstairs and show her how a real man gets down. Nolen stated she did not respond to his comments. Nolen stated that nothing actually happened; however, Greg Dunn

always made inappropriate comments to her of a sexual nature.

N[REDACTED] stated that she and her brother told Sheila Dunn that something was going on. N[REDACTED] stated that her brother told Sheila Dunn that he thought something was going on. N[REDACTED] stated that she ended up telling Sheila Dunn that Greg Dunn did do something to her. I asked N[REDACTED] when she told Sheila Dunn about this and she told me that it was when she was 9 years old and it was right before they moved out of the house on [REDACTED]. N[REDACTED] stated that Sheila Dunn did not say anything about it and walked away from her. N[REDACTED] stated that she did not see them that much after that. N[REDACTED] stated that she recalled Greg Dunn saying something to her about it being her fault because she said something.

N[REDACTED] stated that Kate [REDACTED] and Kimberly Dunn moved back to South Carolina in 2004. N[REDACTED] stated that she talked to Kate [REDACTED] on the phone in April of 2009. N[REDACTED] stated that Kate [REDACTED] told her that Greg Dunn had molested her during the time she lived with him at the address on [REDACTED]. Kate [REDACTED] was 8 years old at the time. N[REDACTED] stated that Kate [REDACTED] never said anything about being molested by Greg Dunn.

N[REDACTED] stated that in January of 2009 her family members went up north to see her brother's first baby. N[REDACTED] told me that she was at home sleeping and Greg Dunn came inside her residence. N[REDACTED] stated that Sheila Dunn had a key to her house but she was not sure how Greg Dunn got into the home. N[REDACTED] stated that Greg Dunn came into the room she was sleeping in and began rubbing her leg and told her to take her pants off. N[REDACTED] stated that she took her pants off and Greg Dunn took his pants off and he had sex with her. N[REDACTED] stated that she was afraid of him and that was why she did it.

N[REDACTED] stated that Greg Dunn did not physically force her to have sex. N[REDACTED] stated that she has had consensual sex with Greg Dunn about 6 times since January. N[REDACTED] stated that most of the incidents happened at her house and they had sex one time at Greg Dunn's job in his office. I asked N[REDACTED] why she would voluntarily have sex with Greg Dunn and she told me she did not know.

I asked N[REDACTED] if Greg Dunn or his family knew about her making this report. N[REDACTED] stated that about one month ago they heard that Kate [REDACTED] was reporting the molestation that happened to her to the South Carolina authorities. N[REDACTED] stated that Greg Dunn and Sheila Dunn both came to her and told her to lie about what happened because this would affect their entire family. N[REDACTED] stated that she has not talked to The Dunn family since this came up. I told N[REDACTED] not to talk to them about this incident until the investigation was complete. I ended my interview with N[REDACTED].

I then called Kimberly Dunn who was now living in North Carolina. I told Kimberly Dunn I was calling about the situation with her sister, Kate [REDACTED]. Kimberly Dunn told me she was aware of the allegations. Kimberly Dunn told me that she and her sister lived with her uncle Greg Dunn and his wife, Sheila Dunn several years ago in Bakersfield at an address on [REDACTED]. Kimberly Dunn stated that nothing ever happened to her but her sister told her that Greg Dunn had done something to her.

Kimberly Dunn stated that the first time she heard about this was when she and Kate [REDACTED] moved from Bakersfield to North Carolina. Kimberly

Dunn stated she was in the 7th grade and was 12 years old when Kate C. told her about it. Kimberly Dunn stated that she and Kate C. were in their room going to sleep one night and Kate C. said Greg Dunn molested her. Kimberly Dunn said that she did not believe Kate C. at the time and told her to stop lying.

Kimberly Dunn said that she called Sheila Dunn and told her what Kate C. was saying. Sheila Dunn told Kimberly Dunn that she did not believe it and said Greg Dunn would never do something like that. Sheila Dunn said Kate C. was lying.

Kimberly Dunn stated that she also had a conversation with Breana N. when she was 12 years old and still lived in Bakersfield. Breana N. told Kimberly Dunn that she was molested by Greg Dunn. Kimberly Dunn stated that she did not believe Breana N. at the time and told Sheila Dunn about what Breana N. had said. Sheila Dunn told Kimberly Dunn that it was not true. Sheila Dunn told Kimberly Dunn that Donald N. had walked in on Greg Dunn and Breana N. and thought he saw something, however, it was nothing. Kimberly Dunn stated that she was told about the molestation by Breana N. before she was told about the molestation by Kate C. Kimberly Dunn stated she was not told about the molestation by Kate C. until after they moved back to North Carolina.

Kimberly Dunn stated this issue did not come up again until a few months ago when Kate C. told her about the molestation again. Kate C. told Kimberly Dunn that it happened during the time Sheila Dunn was pregnant. Kate C. told Kimberly Dunn that when she went to the bathroom, Greg Dunn was there waiting for her. Kate C. told Kimberly Dunn that Greg Dunn touched her. Greg Dunn also told Kate C. that "she was ready". Kate C. told Kimberly Dunn that there were other incidents that occurred, however, Kimberly Dunn did not know the details of those incidents.

Kimberly Dunn stated that after talking with Kate C. she called Breana N. Kimberly Dunn asked Breana N. if what she said several years ago about Greg Dunn touching her was true. Breana N. told Kimberly Dunn that it was true. Kimberly Dunn told Breana N. that she was not the only one and that Greg Dunn had also touched Kate C.

Kimberly Dunn again called Sheila Dunn to tell her about the allegations by Kate C. and Sheila Dunn said it was not true. Kimberly Dunn stated that she spoke with Greg Dunn on the phone and he told her that Kate C. was confused and it was not true. Kimberly Dunn provided me with the contact information for Kate C. I ended my phone call with Kimberly Dunn.

On 10/14/09 I had Breana N. come to the Bakersfield Police Department to make a pretext phone call to Greg Dunn. The phone call was digitally recorded and the following is a synopsis of the interview. N. called Greg Dunn and he answered the phone. N. began by telling Greg Dunn that she had been talking to Kate C. and it was making her remember what happened to her when she was 6. N. told Dunn that she did not know what to say if the Detectives called her.

Dunn told N. that CPS had already come to his house. Dunn also said that he had seen an attorney. Dunn told N. that the allegations were

about N[REDACTED] being molested and there was no mention of Kate [REDACTED]. Dunn told N[REDACTED] that the attorney told him that he has a good case. Dunn also told N[REDACTED] that they were submitting documents that say he was a big part of her life. Dunn told N[REDACTED] to talk to Sheila Dunn and go from there.

N[REDACTED] told Dunn that this did nothing to help her mental state from being molested by him. Dunn then hung up the phone without any warning. The phone call lasted 4 minutes and 5 seconds.

N[REDACTED] called Dunn again and he answered the phone. Dunn told N[REDACTED] that this was going to tear him and Sheila up and that his attorney had text messages from her asking him to sleep with her after she was 18 years old. Dunn told N[REDACTED] to do what she had to do.

N[REDACTED] asked Dunn what about when she was 6 years old. Dunn then asked N[REDACTED] if she was trying to say that she was molested by him from the time she was 6 to the age of 18. N[REDACTED] told Dunn no. Dunn said that was what he was being told.

Dunn told N[REDACTED] that he was told that he supposedly molested Kimberly and she said that was not true. Dunn told N[REDACTED] that Kate [REDACTED] was shown to be a liar and she was unreliable.

Dunn told N[REDACTED] that if he molested her why wouldn't they think he did it to Kate [REDACTED]. N[REDACTED] told Dunn that he knew what he did. Dunn told N[REDACTED] that he had no idea what she was talking about. Dunn told N[REDACTED] this was going to get ugly and to do what she had to do. Dunn told N[REDACTED] that his attorney said that she could talk to the Detective or not talk to the Detective.

N[REDACTED] told Dunn that it was clear he only cared about himself. Dunn told N[REDACTED] that he had never done anything and they had never had an issue and now this was coming up. N[REDACTED] told Dunn that Kate [REDACTED] told her what happened and she knows what also happened to her. Dunn then asked N[REDACTED] if he was supposed to have molested her and yet she never had any animosity toward him. Dunn told N[REDACTED] to do what ever she had to do. Dunn ended the phone call and it lasted 8 minutes and 49 seconds. N[REDACTED] left the police department after the phone call.

I later spoke with SSW Monica Hernandez who was the assigned social worker on this case. Monica Hernandez advised she had spoken with the children of Greg Dunn and Sheila Dunn. They are identified as Connor D[REDACTED] (7) and Baylee D[REDACTED] (5). Monica Hernandez advised that she had spoken with the children at their school. Monica Hernandez advised that there were no disclosures of any type of abuse. Monica Hernandez also responded to the home of Greg and Sheila Dunn and spoke with them. They both denied any type of abuse toward their children. Monica Hernandez advised this case would be closed.

I was contacted by State Licensing Investigator, Shelly Faulkner. Faulkner advised she would also be investigating this case since Greg and Sheila Dunn were operating a day care. Shelly Faulkner stated that she knew of a case from 1998 where Greg and Sheila Dunn were foster parents and Greg Dunn was accused of molesting a foster child. At that time the case did not result in any criminal charges against Greg Dunn.

Faulkner identified that child as Cindy H[REDACTED] and advised she would try to

investigation. I told W██████ that it may or may not involve this family that she had previously lived with. W██████ then asked me if someone had already talked to her about this and I told her that she had been talked to.

I told W██████ that I wanted to ask her about this home she used to live in and anything that happened when she lived there. I told her that it was very important to try and recall anything that might have happened. W██████ told me it was probably a repressed memory.

W██████ told me that she recalled having her appendix taken out and she had to wear a diaper. W██████ told me she thought she was younger than 7 when this happened.

I told W██████ I had a report from 1999 where she said something happened, however, I needed her to recall on her own what it was that happened. I told W██████ I did not want to tell her what was in the report and I needed her to try and recall anything that happened.

I asked W██████ what happened to the children in the home if they got in trouble and she told me she thought they were made to stay in their room. I asked W██████ if there was any discipline that she thought was inappropriate and she told me she did not see anything.

I asked W██████ if she remembered anything about Greg and anything he could have done inappropriate to her. W██████ told me that she did not remember and did not know if Greg was White or Mexican. I told W██████ that 10 years ago she reported that Greg did something to her and asked her if she could remember what that was. W██████ told me she could not remember. I asked W██████ if she thought about it for a day or so if she could remember. W██████ told me that was possible.

I again told W██████ that 10 years ago she reported that something happened. W██████ told me that she was sure it happened because she would not lie. W██████ told me that she thought it had something to do with diapers. I told W██████ I needed her to recall that incident on her own with out me telling her what was reported.

W██████ then told me she believed she knew and then told me that one time Greg licked her vagina when he changed her diaper. W██████ told me that Greg sent her to her room for no good reason and it happened in the room. W██████ said no one else was around to see it. W██████ told me she shared a room with another little boy, however, he was not at home at the time. I asked W██████ if she remembered if Greg said anything while this was going on. W██████ stated that Greg told her not to tell anyone.

W██████ told me she was laying on the bed and Greg was standing. I asked W██████ how her private area got exposed and she told me Greg took her diaper off. I asked W██████ what happened with the diaper and she stated he hung it on a bicycle handle. I asked W██████ if she recalled it lasting a long time and she said it was really quick. I asked W██████ what happened after that and she stated she believed she told the mother. W██████ told me that she only recalled this happening one time.

I asked W██████ how she liked Greg at the time and she said she did not really like him. I asked W██████ if she remembered Greg's wife and she said she did not. W██████ told me she was in too many foster homes and could have Greg mixed up with someone else. I asked W██████ if she saw this

happen to anyone else and she told me no. W[REDACTED] told me she could not remember anything else. I ended my interview with W[REDACTED].

I then spoke with Josephina W[REDACTED] and asked her about Cindy W[REDACTED]. Josephina W[REDACTED] told me Cindy W[REDACTED] was placed in her home when she was 7 years old. I asked Josephina W[REDACTED] if she knew anything about the prior home Cindy W[REDACTED] had lived in and she told me she did not know anything about it. Josephina W[REDACTED] stated that Cindy W[REDACTED] had been in about 13 prior foster homes.

I asked Josephina W[REDACTED] if Cindy W[REDACTED] acted out at all when she first got her. Josephina W[REDACTED] stated that she caught Cindy W[REDACTED] on a few different occasions sucking on the private areas of her dolls. Josephina W[REDACTED] stated that Cindy W[REDACTED] tried to kiss her with an open mouth and she asked Cindy W[REDACTED] what she was doing. Cindy W[REDACTED] said that "Greg" had given her a "kiss of love" on her private area. Cindy W[REDACTED] also said that Greg did the nasty with her. Josephina W[REDACTED] stated she did not know anything else about who was involved or what happened.

Josephina W[REDACTED] stated that Cindy W[REDACTED] also used to touch her own private area. Josephina W[REDACTED] stated that Cindy W[REDACTED] stabilized after a couple of months and these behaviors stopped. I ended my interview with Josephina W[REDACTED].

I noted that what Cindy W[REDACTED] had just told me, matched what she had said in her interview in 1998.

I made phone contact with Kate C[REDACTED] who now lives in Georgia with another foster family. I told C[REDACTED] that I wanted to have her interviewed by an investigator in Georgia. I told C[REDACTED] that I would contact the law enforcement agency in her jurisdiction and arrange to have her interviewed.

I made phone contact with Detective Christi G[REDACTED] from Lowndes County Sheriff's Department, Georgia. Det G[REDACTED] is trying to set up a time that coincides with everyone's schedule, to have C[REDACTED] interviewed.

On 1/12/10 a forensic interview was conducted with Cates at the Children's Advocacy Center in Valdosta Georgia. The interview was video taped and a copy was sent to me. The following is a synopsis of the interview. Refer to DVD for the full interview.

The interview was conducted by forensic interviewer, Teresa Thomas and was monitored by Detective G[REDACTED]. Thomas asked C[REDACTED] if she knew why she was there and C[REDACTED] replied it was because of her uncle. Thomas then asked C[REDACTED] to explain exactly why she was there. C[REDACTED] told Thomas that her uncle Greg Dunn touched her. C[REDACTED] advised that Dunn was her father's brother and that she and her sister lived with the Dunn's in Bakersfield when the touching occurred.

C[REDACTED] explained that the touching began when she was 7 years old. C[REDACTED] stated that she and her sister shared a room and she would sometimes get up in the middle of the night to go to the bathroom. C[REDACTED] stated that when she went to the bathroom Greg would be standing in the doorway of his room staring at her. As C[REDACTED] explained this scenario she began to cry and had to pause for a moment to regain her composure. C[REDACTED] stated when she saw Dunn staring at her she would be too scared to go to the bathroom so she would not go.

Thomas reminded C[REDACTED] that she had earlier said that Dunn touched her and asked C[REDACTED] to tell her where she was touched. Thomas also gave C[REDACTED] the option of writing down the area where she was touched. C[REDACTED] wrote the word vagina. C[REDACTED] said that Dunn used his hands to touch her vagina and that he touched her on her skin under her clothing. C[REDACTED] said that Dunn did not touch her anywhere else.

Thomas asked C[REDACTED] where this would normally happen and C[REDACTED] said that it occurred in her room at night time. C[REDACTED] estimated that Dunn touched her more than once a week until she turned 10 years old. C[REDACTED] said that the touching stopped because she moved back to her mothers house at age 10.

C[REDACTED] advised that at the Dunn residence, she and her sister shared a day bed. C[REDACTED] slept on the bed that pulled out and her sister slept on the top bed. C[REDACTED] said that she would sleep on her stomach and that was when Dunn would come into her room and touch her. Thomas asked how she knew it was Dunn and C[REDACTED] said that she just knew it was him.

Thomas had C[REDACTED] specify who lived in the Dunn residence at the time she lived there and was being touched. C[REDACTED] advised that she lived there with her sister Kimberly Dunn along with Greg Dunn and his wife Sheila Dunn. C[REDACTED] advised that Sheila Dunn had also just given birth to a baby son. C[REDACTED] advised those were the only people living in the home at the time she was being touched.

Thomas asked C[REDACTED] when the touching happened if her clothes would be on or off and C[REDACTED] replied that Dunn would put his hand in her pants. C[REDACTED] said that she would sleep with shorts and Dunn would put his hand up her shorts through the bottom of the shorts. C[REDACTED] said Dunn did not ask her to touch him and did not show her any parts of his body.

C[REDACTED] said that one time Dunn threatened to kill her if she ever told anyone what he was doing. C[REDACTED] said that Dunn did not say how he would kill her.

Thomas asked C[REDACTED] if she knew if Dunn had touched anyone else. C[REDACTED] said that when she and her sister, Kimberly Dunn first moved back in with their mother she told Kimberly Dunn about the touching. Kimberly Dunn did not believe C[REDACTED] so she did not bring it up again until last year. C[REDACTED] stated that Kimberly Dunn asked her if she was touched by Dunn and she said that she was. Kimberly Dunn told Cates at that time that she had spoken with Breana N[REDACTED] and she had also said she was touched by Dunn. C[REDACTED] said she had never seen Dunn touch Breana N[REDACTED].

C[REDACTED] said that she never told her aunt Sheila Dunn about what happened. C[REDACTED] stated that Kimberly Dunn told Sheila Dunn about what happened to Cates and Breana N[REDACTED] and Sheila Dunn said she did not believe it. The interview was concluded.

On 1/26/10 I made phone contact with Donald N[REDACTED] regarding this case. Donald N[REDACTED] told me that he had suspicions back when he and his sister were younger that Greg Dunn was doing something to Breana N[REDACTED]. Donald N[REDACTED] told me that Greg Dunn would buy things for Breana N[REDACTED] and he thought something was going on.

years old. Donald N. stated that Greg Dunn had bought a game and asked Breana D. to come back to the pool house to play the game. Donald N. stated that he decided to listen outside of the pool house to see if he could hear something going on.

Donald N. stated that he put his ear up to the window and heard Greg Dunn tell Breana N. to lock the door. Donald N. stated that he went inside of the main house and told his mother about this and his mother went to the pool house to get Breana N. Donald N. stated that his mother knocked on the door because it was locked and told Breana N. she had to come inside because it was time to eat.

Donald N. stated that he and Breana N. and Anna N. all went back into the house and asked Breana N. what was going on. Breana N. began to cry and told them that Greg Dunn kisses her and rubs her. Donald N. stated he was so angry and he grabbed a knife and told Anna N. that he was going to kill Greg Dunn. Anna N. told Donald N. that was not the way to handle it and they all sat and cried with each other.

Donald N. stated that they talked about it with Sheila Dunn and Paula B. and they all agreed that it would be in the best interest of the family not to report it. Donald N. stated that from that time he always tried to stay away from home. I asked Donald N. if he saw or heard anything else when he was outside the pool house and he told me that he did not see or hear anything else.

Donald N. told me that he called his uncle Brian to tell him what had occurred. Donald N. was referring to Brian B. who is Sheila Dunn's brother and Paula B.'s son. Donald N. told me that Brian B. was a person he was close to and could confide in. Donald N. stated that he thought if he told Brian B., he might come over and kick Greg Dunn's ass.

Donald N. stated that was what made him think that something was going on. Donald N. stated that he was a juvenile at the time but he still felt guilty for not doing something about this. I ended my phone call with Donald N.

important case. Paula B. told me that she remembered that there was something said about Greg Dunn kissing Breana N. Paula B. told me that she could not remember any other details.

I asked Paula B. what was done as a result of the incident. Paula B. told me that Breana N. was not allowed to be alone with Greg Dunn after that occurred. I asked Paula B. if the police were called and she told me they were not called. I continued to ask Paula B. about the incident and she told me that she could not remember and had a bad memory. I told Paula B. that I would be back later to contact Sheila and Greg Dunn.

I left the residence and parked down the street waiting for Sheila Dunn to return. Approximately 5 minutes later Sheila Dunn returned home and parked in the driveway. I drove up to the residence and parked across the street and exited my vehicle so I could speak with Sheila Dunn.

I could see as I approached the front yard that Sheila Dunn was getting her children out of her car and then walking to her front door. Sheila Dunn was quickly guiding her children inside of her residence. I called out to Sheila Dunn as I approached the door and told Sheila Dunn that I wanted to talk to her. Sheila Dunn was upset and said in an angry voice, "we're not talking to you". Sheila Dunn went inside her residence with her children and slammed the front door shut.

I knocked on the front door and waited for a response. Sheila Dunn then opened the front door enough to hand me a piece of paper and again say that they were not talking to me. Sheila Dunn again slammed the front door shut. I read the paper and it said that they were being represented by an attorney and had been instructed not to speak with the police. I left the piece of paper at the front door and I left the residence.

I returned to my office and I received a phone call at my desk a few minutes later from attorney Kyle Humphreys. Kyle Humphreys told me that he was representing Greg Dunn and he was not going to allow him to make a statement unless I showed him my files or reports. I told Kyle Humphreys I could not do that and he said that Greg Dunn would not make a statement. I ended my call with Kyle Humphreys. I did not attempt any further contact with Greg or Sheila Dunn.

On 2/17/10 I responded to [REDACTED] to speak with Breana N.'s mother, Anna N. I told Anna N. that I wanted to ask her about what happened with her daughter. Anna N. told me that several years ago when Breana N. was 6 years old they were at their home. Anna N. told me that her son Donald N. came into the house to tell her that Greg Dunn had Breana Nolen in the pool house and her pants were down.

Anna N. went to the pool house and got her daughter. Anna N. stated she pounded on the door and Breana N. came out of the pool house. Anna N. stated that Breana N. was fully dressed at that time. Anna N. stated that Donald N. had initially told her that Breana N.'s pants were down but her underwear were on.

Anna N. took Breana N. into their room in the main house and asked her what happened. Breana N. told Anna N. that Greg Dunn only kissed her. Anna N. stated that Sheila Dunn and Paula B. came home and they all argued over what happened.

Anna N[REDACTED] stated that she believed what her son told her, however, after they all discussed it, they decided not to call the police. Anna N[REDACTED] stated there was no physical evidence so they just kept Breana N[REDACTED] away from Greg Dunn. Anna N[REDACTED] stated that was all that happened regarding that incident.

I asked Anna N[REDACTED] if she ever discussed this with Greg Dunn. Anna N[REDACTED] stated that she did speak with Greg Dunn and he said that he did not do anything. Anna N[REDACTED] told him that he knew what he did and he was not going to be around her daughter anymore.

Anna N[REDACTED] stated that recently after Breana N[REDACTED] made these allegations, she was told by Sheila Dunn that Breana N[REDACTED] was going to write a letter that said nothing happened. Anna N[REDACTED] stated that this made Breana N[REDACTED] upset that Sheila and Greg Dunn wanted her to lie. Anna N[REDACTED] stated that she also recently heard that Kate C[REDACTED] made a similar allegation against Greg Dunn.

Anna N[REDACTED] stated that Sheila and Greg Dunn have a young daughter and when they ask her to babysit that daughter she does because she is worried for their daughter. Anna N[REDACTED] stated that Sheila Dunn does not leave her daughter alone with Greg Dunn. I ended my interview with Anna N[REDACTED].

On 3/3/10 I made phone contact with Brian B[REDACTED] () who is Sheila Dunn's brother. I asked Brian B[REDACTED] what he knew about the incident that occurred between Greg Dunn and Breana N[REDACTED]. Brian B[REDACTED] told me this incident occurred several years ago and he recalled Donald N[REDACTED] calling him and he was very upset.

Brian B[REDACTED] stated that Donald N[REDACTED] said he either walked in or saw something, however, Brian B[REDACTED] stated he did not get the specifics. Brian B[REDACTED] stated that a little bit later he was told that the incident did not happen like they thought and Donald N[REDACTED] was mistaken.

Brian B[REDACTED] stated after Donald N[REDACTED] called him to tell him about the incident, he called Sheila Dunn or his mother Paula B[REDACTED] to find out what happened. Brian B[REDACTED] stated that as far as he was concerned the issue was resolved. Brian B[REDACTED] stated he did not know that for a fact, however, that was how it was made to seem to him.

Brian B[REDACTED] again stated that he did remember Donald N[REDACTED] calling him about the incident and Donald N[REDACTED] was very upset. I asked Brian B[REDACTED] if he could remember what exactly he was told happened. Brian B[REDACTED] stated that he recalled Donald N[REDACTED] telling him that he saw Greg Dunn with Breana N[REDACTED], however, did not remember any other details.

Brian B[REDACTED] told me that if he felt Greg Dunn was capable of this he would have never let his children around him. I asked Brian B[REDACTED] if he thought that Greg Dunn was capable of that and he told me he did not know what to think. Brian B[REDACTED] stated that if he thought that Greg Dunn had done something "I would want to beat his ass myself". Brian B[REDACTED] stated that he thought that nothing ever happened. I ended my interview with Brian B[REDACTED].
