...

Im seeking advice and help in form of information Despite giving my life to christ I have struggled with alot of things but one of hardest things I struggle **with is anger**

I have **an extreme violent streak** most my life it's gotten me locked away

When I'm angry it's like a hot iron is on my brain,I can't think clearly or control what I say.

I have **mood swings** most people don't know this about me

My anger witch is 100 x better then when I was walking is a huge issue becaues I say stuff I would never say if I was not mad hurtful stuff .

**I also get physical** still witch is even worst since I've been paralyzed and save **I have punch choke threw items at people**

Only towards men to I become physical but still!

I pray , I try to breath I'm trying so hard to fix me .

Prayer woship audio Bible mediation mental health concealing only works a lil

Note my anger or violence is not 24/ 7

**But when it strikes its sooo bad .**

People have said **my eyes turn black** depending on how violent I become

I need to know does this happen to others

**Every since I was a child I've had this violence**

I was locked away as a child due to violence towards other children

Now I have came a long ways

Note I'm more worried about my anger causing me to say hurtful stuff

Not my anger turning into violence

Note I don't get mad or violent for nothing I always have a reason but I always go extreme

Any advice doctors medications or spiritual guidance

Please everyone keep me in your prayers with this **See less**

UNITED STATES DISTRICT COURT  
DISTRICT OF SOUTH CAROLINA  
FLORENCE DIVISION

Bruce Lee Hudson,

*a.k.a. Bruce L. Hudson,*

Plaintiff,

vs.

Director Myer, of Alvin S. Glenn Detention Center,

Defendant.

) C/A No. 4:10-00450-HFF-TER

)

)

)

)

) Report and Recommendation

)

)

)

)

)

)

**I. PROCEDURAL BACKGROUND**

The Plaintiff, Bruce Hudson ("Plaintiff"), filed this action under 42 U.S.C. § 1983<sup>1</sup> on March 1, 2010. Plaintiff alleges that his constitutional rights were violated by Defendant. On October 25, 2010, Defendant filed a motion to dismiss for failure to comply with court orders. Because Plaintiff is proceeding *pro se*, the court issued an order on or about October 26, 2010, pursuant to Roseboro v. Garrison, 528 F.2d 309 (4<sup>th</sup> Cir. 1975), advising that a failure to respond to the Defendant's motion could result in the dismissal of his complaint. Plaintiff has failed to respond.

In the motion to dismiss, Defendant asserts that the case should be dismissed for **failure to comply with court orders and on Plaintiff's "willful failure to abide by the unambiguous Orders of this Court, and as an appropriate sanction for Plaintiff's attempt to mislead the Court with perjured and/or forged documents."** (Doc. #59).

---

<sup>1</sup>All pretrial proceedings in this case were referred to the undersigned pursuant to the provisions of 28 U.S.C. § 636(b)(1)(A) and (B) and Local Rule 73.02(B)(2)(d), DSC. Because this is a dispositive motion, the report and recommendation is entered for review by the District Judge.

filed. Plaintiff has not responded to Defendant's motion to dismiss or the court's Order requiring Plaintiff to Show Cause why sanctions are not appropriate. This action should be dismissed. No other reasonable sanctions are available.<sup>2</sup> Accordingly, it is recommended that Defendant's motion to dismiss be granted and this action be dismissed pursuant to Fed. R. Civ. Proc. 41(b) for failure to prosecute and failure to comply with the court's order.

## II. CONCLUSION

As set out above, a review of the record indicates that the Plaintiff's complaint should be dismissed for failure to prosecute. It is, therefore,

---

<sup>2</sup> See *Tesar v. Potter*, 2007 WL 2783386 (D.S.C. 2007) quoting *U.S. v. Shaffer Equip. Co.*, 11 F.3d 450, 461 (4<sup>th</sup> Cir. 1993). In *Tesar*, the Court considered the factors set forth by the court in *Shaffer* in which the court stated:

[B]efore exercising the inherent power to dismiss a case, a court must consider the following factors: (1) the degree of the wrongdoer's culpability; (2) the extent of the client's blameworthiness if the wrongful conduct is committed by its attorney, recognizing that we seldom dismiss claims against blameless clients; (3) the prejudice to the judicial process and the administration of justice; (4) the prejudice to the victim; (5) the availability of other sanctions to rectify the wrong by punishing culpable persons, compensating harmed persons, and deterring similar conduct in the future; and (6) the public interest.

The Fourth Circuit stated in *Tesar* that "[w]hen a party commits perjury, sanctions are necessary to ensure that other litigants fully understand that the risk of entering perjured testimony far exceeds any tactical advantage that may be afforded from it, thus deterring them from engaging in similar misconduct. Any sanction less than dismissal will have the opposite effect. . ." *Tesar*, *supra*.

Alternatively, it is RECOMMENDED that the case be dismissed as a proper sanction pursuant to Defendant's motion for sanctions (doc. # 52).
