

# Building Hope Dundalk Support Center

Building Hope Dundalk Support Center is dedicated to serving the residents in Dundalk, Essex, Bayview, and neighboring areas, with the mission to assess the needs of those who seek help and connect them with essential community resources. Building Hope provides both internal and external referrals to support self-sufficiency, offering bilingual case management. Focused on health and wellness, immigration services, and workforce development, the center draws on the expertise of three Catholic Charities programs — Esperanza Center, Our Daily Bread Employment Center, and Villa Maria Behavioral Health.
