## **Specialist Cleaning for the Motor Industry That Enhances Presentation, Safety & Sales Performance**

### **Cleaning Services Designed for Showrooms, Workshops & Multi-Site Operations**

We provide specialist cleaning services tailored to the motor industry — helping you present vehicles at their best, maintain safe working environments, and operate efficiently across single or multiple sites.

Our approach combines specialist expertise, the right equipment, and consistent delivery to ensure your facilities reflect the quality of your brand while meeting strict health and safety standards.

---

## **Why Automotive Businesses Choose Us**

### **Enhance Vehicle Presentation & Sales Environment**

- Clean, polished showrooms that improve customer perception
- Vehicles presented in the best possible condition
- Environments that support higher sales conversion

### **Specialist Cleaning Capability**

- Removal of oils, grease, and workshop residues
- Cleaning of workshop floors and high-traffic areas
- High-quality glass, surface, and finish care
- Equipment and methods designed for automotive environments

### **Health & Safety Compliance**

- Reduced slip hazards and safer working environments
- COSHH-compliant processes and materials
- Supports compliance and risk reduction

### **Fast, Flexible & Reactive Service**

- Quick turnaround between customer visits and handovers

- Flexible scheduling to suit operational demands
- Responsive support when needed

### **Multi-Site & Scalable Delivery**

- Consistent standards across multiple locations
- National coverage (excluding inner London)
- Long-term contract stability and reliability

### **Sustainable Cleaning with Measurable Impact**

- Reduced environmental impact across high-usage sites
  - Supports corporate sustainability objectives
  - Environmental reporting available
- 

## **What This Means for Your Organisation**

- Improved customer experience and showroom standards
  - Safer working environments for staff
  - Consistent presentation across all sites
  - Reduced operational disruption
  - A reliable, professional cleaning partner
- 

## **Who We Work With**

- Dealership groups and individual showrooms
  - Vehicle manufacturers
  - Automotive parts manufacturers
  - Parts distribution and logistics operations
- 

## **Supporting Your Brand, Not Just Cleaning Your Site**

We help ensure your environment reflects the quality, professionalism, and standards your customers expect.
