Now Thank We All Our God

**Now thank we all our God
With heart and hands and voices,
Who wondrous things hath done,
In whom His world rejoices;
Who, from our mothers' arms,
Hath blessed us on our way
With countless gifts of love,
And still is ours to day.**

**O may this bounteous God,
Through all our life be near us,
With ever joyful hearts
And blessed peace to cheer us;
And keep us in His grace,
And guide us when perplexed,
And free us from all ills
In this world and the next.**
