Vendors are welcome to participate in our 7th Annual Car Show Community Day at the Shoppers Fair @ Car Show and set up their displays for the visitors to see and to peruse. This Fair is sponsored by the ladies of L.I.F.T. (Ladies in Fellowship Together) from Living Christ Lutheran Church for fellowship and fundraising. Profits will be shared to provide Help for the Needy County.

Each vendor will be given the opportunity to display their products for sale. We will provide an 8 foot table area. You may set up inside our lobby or outside under a tent (bring your own). We hope to limit our vendors to one vendor per product to give you the best opportunity for sales. Please identify your product accurately and completely.

News releases will be sent to our area Lutheran churches as well as the Plainfield Chamber of Commerce, the Flyer Group, the Danville Republican newspaper, the Westside Star, and WIBC. If you'd like to also share it with others, we have attached it for your use. We will also post it on our website and Facebook.

If you have a friend who would also like to participate, we will be accepting registrations until August 24th. Just let them know to contact us and we will send them the information.

You may begin set up as early as 9:00 am. The Car Show begins at 10:00 with registrations open at 9 for the public. Awards will be given at 1:30 pm.

During the day you will be given an envelope to record your total sales to submit your percentage to us for your participation before you leave. If you have any questions about that process, please let us know.

If you have questions, you may contact

Evelyn Benning (evecarl63@aol.com) 317-292-3195 (cell) or

Lynda Funk (lynda.funk@yahoo.com) 317-506-0442 (cell)

We look forward to you sharing this day and opportunity with us.
