Vendors are welcome to participate in our 5th Annual Shoppers Fair Open House and set up their displays for the visitors to see and to peruse. This Open House is sponsored by the ladies of L.I.F.T. (Ladies in Fellowship Together) from Living Christ Lutheran Church for fellowship and fundraising. Profits will be shared to provide help for Family Promise ministry to the Homeless Families in Hendricks County.

Each vendor will be given the opportunity to display their products for sale. We will provide an 8 foot table area. We hope to limit our vendors to one vendor per product to give you the best opportunity for sales. Please identify your product accurately and completely. **If you have been a vendor before, please have your registration in by October 15th.** After that date we will open the opportunity to others interested in participating.

News releases will be sent to our area Lutheran churches as well as the Plainfield Chamber of Commerce, the Flyer Group, the Danville Republican newspaper, the Westside Star, and WIBC. If you'd like to also share it with others, we have attached it for your use. We will also post it on our website and Facebook.

If you have a friend who would also like to participate, we will be accepting registrations until November 7th. Just let them know to contact us and we will send them the information.

You may begin set up as early as 9:00 am (earlier times can be arranged if needed). The doors will open at 10:00 am for the public.

During the day you will be given an envelope to record your total sales to submit your percentage to us for your participation before you leave. If you have any questions about that process, please let us know.

Enclosed is a poster for the day that has been posted in many places. Feel free to also share this with people you know. For further information, you may contact
