Items may be brought back to LCK (preferably wrapped and marked) before the classroom Christmas parties on December 21. The kiddos and teachers will open them during their party. # Classroom News

**Infants:** Merry Christmas everyone! We wish a wonderful 1st birthday to Jacob and Brynlee. We wish them the best of luck as they move up to the toddler room. We give a warm welcome to Mira and Wynter, we are excited to have them with us. Please make sure your child has a change of weather appropriate clothes in their cubby. Thank you!

**Toddler A:** Hello from Tot A! We are looking forward to December and all the fun winter crafts ahead. The toddlers will be exploring different textures and their creative side. We are adjusting very well in our new class. Exciting things will be coming from Toddler A!

**Toddler B:** Holidays are here! The tots class will be learning about Jesus' birthday and the real meaning of Christmas. The holiday party will be Friday, December 21. There will be a sign up sheet at the door, if you would like to sign up to bring in treats. Please don't forget to check your child's daily folder next to the door for crafts and important papers. We wish everyone a Merry Christmas and a Happy New Year!

**2A:** The novel, "The Polar Express" written by Chris Van Allsburg, is a magical story to read around Christmas time. I remember taking my daughter to see the movie when it debuted in 2004. It's about a young boy taking his Christmas wishes to the North Pole on the Polar Express Train. Please remember hats, gloves, and coat as we will still be going outside weather permitting. Thank you, Phyllis.

**2B:** It's December and that means there are lots of seasonal festivity and fun on our classroom! Christmas crafts, working on colors, shapes, numbers, and letters. Your child will bring home crafts, decorations, and other wonderful things to share with you. We will have a Christmas program on the 13th and our Christmas party on the 21st.

**3's:** Welcome to the 3's class. During this winter weather, remember to bundle up to stay warm, perhaps in a festive Christmas sweater! We will be learning a lot and hope to spread the Christmas joy as baby Jesus is the true reason to celebrate this season. We will have a special class party on the 21st and are practicing for our Christmas program on the 13th. Our class chose Frosty the Snowman and Behold the Star, so they can wear something maybe that sparkles or color theme of gold, silver, blue, white or purple for the program. We would like to wish everyone a Merry Christmas and a blessed winter season. Enjoy this fun action rhyme that we will be learning this month; A chubby little snowman had a carrot nose along hopped a bunny and what do you suppose? That hungry little bunny ate the snowman's carrot nose nibble, nibble, crunch!

**4's:** We would like to wish you all a very Merry Christmas. Our class Christmas party is December 21, there will be a sign up sheet posted on the door in our class if you would like to donate goodies for the party. We have a wonderful group of kiddos in our class, they all seem to love to learn and try new things. We have been working on writing our names, our cutting skills, as well as working on phonics worksheets and cute crafts. We are very excited about the Christmas program on December 13th, we hope to see you there. Have a wonderful Holiday season!

**Pre-K:** Hello Parents! The holiday season is in full swing now. We hope you had a wonderful Thanksgiving. This month our focus will be on Jesus' birth and why this is so important to us and the true meaning of Christmas. We will begin our reverse advent calendar and I will have details sent home with you if you choose to participate. We will continue to practice on our Christmas songs. Have a great month!

**Grade School:** Hello Parents! Welcome to December! This past November has flown by leading us into the holidays. Our Christmas program is December 13 at 7PM. Please let us know if your child(ren) will be participating. We will be practicing in the mornings as well as the afternoons. As winter break is approaching us, please communicate with the front office if your child(ren) will or will not be attending during this time. We hope you had a blessed and peaceful Thanksgiving. We have a lot to be thankful for!
