Summer Review

We are saddened that the summer is ending. Thank to all the parents and staff for their continued support and help to make this summer go so smoothly. We are pleased that the children enjoyed all the field trips and fun activities.

We are also saddened that Ms. Kendall and Mr. Landon will be going back to high school and Ms. Hannah will be starting College. We have really enjoyed having them as part of the LCK family and wish them the best in the future. They will be extremely missed :(We really appreciated all of their help and support!

Back to School

Plainfield Community Schools start back on Wednesday, August 3rd. We wish everyone the best of luck this school year!

Welcome

Pastor Paul and Pastor Dennis

An addition to our LCK day and schedule is **Chapel Day on Monday and Wednesday. Both Pastors are planning to welcome the children and the moms and dads on chapel days prior to the beginning of the day with chapel time to sing songs about Jesus and the happy times we have with Jesus in our lives.**

Chapel for Kindergarten and the Grade School will be at 7:50 before the children get on their buses for school. Infants to PK will then have chapel time at 8:20.

- Remember to take your child's blankets and pillows home every Friday to be washed.

LCK needs your help to make our program even better.

1. **Handy-man.** We are purchasing new playground equipment that needs assembly. Here's a chance to use your skills and get a tuition break.
2. **Cook:** Do you know someone who likes to cook? Let Kim know.
3. **Teacher/Assistants:** Do you know someone who enjoys helping children learn and discover new things? LCK is seeking employees to complete their staffing needs. Talk with Kim to check possibilities.
4. **Help with Garage Sale setup.** - We would like to have a garage sale to clean out the shed and include donations we had. — Also a tuition break!
