3's: Welcome July! We are still continuing to work on our letters, colors, numbers, shapes, our cutting skills, tracing and our birthdays. Please remember to check your child's folder daily and check the weekly calendar to see what events we have going on for the week. Also, we will be having a end of the summer party the end of July, please be on the lookout for a sign up sheet and date. Thank you and have a great month!

Pre-K: The class is loving all the summer fun! Please make sure your child has naptime things and a change of weather appropriate clothes in their locker. Our class is in need of small items for our prize box, if you have anything laying around that you would like to donate. Have a wonderful month!

K-1st: This month we are working on basic math and writing that fits into our weekly themes. A gentle reminder to check the weekly calendar of events to see what is planned. During week 5-8 we are doing "on the road again" — week 11-15 we are doing "rainforest" — week 18-22 we are doing "sweets and treats" week.
