If you know of someone who would be interested in being part of the staff at LCK, we would be happy to talk with them about the opportunities for employment.

We are looking to hire additional staff to be able to increase our program to other families who are waiting to send their child (ren) to LCK.

We have a waiting list for all levels at LCK. Your lead to an employee could result in a coupon for a 10% discount in tuition for a month.
