Pre-K: The kiddos are doing so well with their school work! I know they may complain about it at times, but that is normal. They are learning how to hold a pencil correctly, follow directions, stay in their chair, and just learning to stay on task. They are getting better with each passing day. This month we will start introducing school work in the afternoon too. We have a field trip on October 6th to the pumpkin patch. If you ever have any questions, please don't hesitate to talk with me. Thank you!

Grade School: Welcome Fall! Fall Break is approaching us, please let the front office know if your child(ren) will or will not be attending during this time. Thank you!
