

# PLEASE READ

*The City is proposing a 225 bed homeless center, the largest such facility in San Francisco. Here are the facts:*

## Location

- Seawall Lot 330 at the corner of Embarcadero and Bryant Street

## Size

- Up to 225 beds
- 28,000 square feet enclosed area
- 10,500 square feet of outdoor space

## Usage

- Drug users will be allowed
- Pets will be allowed
- Partners will be allowed

## Source of funds

- Funds from the Educational Revenue Augmentation Fund will be used to pay for the shelter
- Funds from Proposition C will not be used

## Construction

- Temporary structures (e.g., large tents and shipping containers) will be used
- Community rooms, staff offices, reception office, restrooms, showers, laundry, storage and utilities will also be built
- Planned duration is 4 years plus set-up and tear-down time

## Budget

- Operating budget is \$5.1 million per year or \$23,000 per bed per year
- \$4.7 million in construction costs
- Site lease (TBD)
