

Making Paths Network Prep Program

Unlock Your Potential!

Program Overview: Our comprehensive prep program is designed to empower students with essential academic skills and knowledge. Highlights of the program include:

- **ELA and Math Tutoring:** Strengthen your literacy and numeracy skills.
- **Homework Help:** Get support with your daily assignments.
- **Test Preparation:** Prepare for standardized tests and school exams with expert guidance.
- **High School Navigation:** Learn how to navigate the process of selecting and applying to high schools.
- **Financial Education:** Acquire important financial literacy knowledge.
- **Leadership Development:** Engage in activities that build leadership skills.
- **Parent Workshops:** Provide crucial support by understanding the educational process.

Program Schedule:

- **Start Date:** July 2024
- **Frequency:** Weekly sessions throughout the summer and school year.
- **Duration:** Each session is 1 hour long.

Technology and Resources:

- **Location:** Online
- **Tools Used:** Google Classroom

Commitment:

- **Commitment:** Full school year, starting with our summer program.

Assessment and Metrics: We continually assess and track progress to ensure every student meets their educational goals.
