

ReCreation Adventure Tours is Under *Re-Construction!!*

2025 finds us bidding farewell to *KEITH BUTLER*, owner and president of ReCreation Adventure Tours for nearly 25 years, as he enters retirement. Two familiar faces will be taking the helm and guiding us through our new adventures.

Marty and Suzy Ames, former #1 drivers for our company, are now the new owners.

"Thank you to the many travelers that have kept our travels going. I have truly enjoyed getting to know so many of you and appreciate all you've done to make the trips fun and successful. I pray God's continued blessings on the company and on Marty and Suzy as they venture into this new era of life. I leave the company in good hands as our trusted escorts will continue serving with the same Christian leadership and values set forth in ReCreation Adventure Tours. Laura and I are thankful for the privilege of getting to visit all 50 states as a part of this company."

Glenna will be staying on as well during the transition this next year. God bless you all until we meet again.

Keith Butler

Hello Everyone!

Some of you are already acquainted with us as drivers. We started driving for ReCreation Adventure Tours 10 years ago through three Motorcoach companies and have come to know and love many of their travelers.

Between the two of us we have 30 years of charter and tour driving experience which we have truly enjoyed. It has been a dream of ours to own and operate a tour company.

We are grateful for Keith's and Glenna's trust in us as we move forward with this new chapter in our lives. We will continue to serve with the same Christian values we all love and cherish.

We look forward to working with our team of escorts to provide wholesome fun and some exciting new tours moving forward. (YES Keith will be in our speed dial list).
